DEFENDANTS

ORDER

Before the Court is Plaintiff's Motion Requesting an Order for Defendants to Allow Plaintiff Access to Review Digital Evidence. (ECF No. 33). Defendants have filed a Response in opposition. (ECF No. 34).

In his motion Plaintiff states Defendants have provided him with discovery documents and "some where on a CD and others were on a thumb drive". Plaintiff sought permission from the Jail Administrator at the Columbia County Jail to view the evidence but was denied access. Plaintiff also claims that Defendant Wood:

...also prohibit the plaintiff from obtaining copies merely because he don't have money on his inmate account nor will the defendant notarize legal papers for him, Therefore, the plaintiff is required to send his original documents in which effects his ability to maintain a record of the proceeding...

(ECF No. 33). Defendants filed their response to Plaintiff's motion on December 10, 2018, stating that Plaintiff's motion is moot because Plaintiff was transferred out of the Columbia County Jail to the Arkansas Department of Correction soon after the motion was filed. (ECF No. 34). On December 27, 2018, Plaintiff notified the Court that he had been transferred to the Arkansas

Department of Correction – East Arkansas Regional Unit – in Marianna, Arkansas. (ECF No. 36). Therefore, Plaintiff’s request for the Court to enter an order directing the Columbia County Jail officials to permit Plaintiff to review digital evidence, provide copies and notarize documents is now moot.

Accordingly, Plaintiff’s Motion Requesting an Order to Allow Plaintiff to Review Digital Evidence (ECF No. 33) is DENIED as MOOT.

IT IS SO ORDERED this 3rd day of January 2019.
