

I Herbert Mathis, do come alledged to wit;
 I am presently serving a 90 day sentence
 at Sebastian County Detention Center and
 that I hope and pray that his honor Paul
 X. Williams will hear and order or request
 the US Marshalls deliver me in US district
 Court on Tuesday, JAN 4, 1976, at 1:30 P.M.
 That I have been denied my constitutional
 right to an attorney and or the legal
 material I requested from Dep. Carmack
 and Captain. Nicholes. That I asked Don
 Langston for legal advice and he told me
 I wasn't on his case anymore. I wish
 his great honor would provide the counsel
 I need for this matter and order the
 Federal Bureau of investigation to appear
 or a repusenative. I also wish and hope
 that his honor see why I must appear
 because on Wed. Jan 5, I am entering
 a matter, in court, in Greenwood. I must
 have legal counsel or a law library at
 my access before that date.
