

v.

77-2004

William Cauthron

Your honor

I wish and ask that you dismiss my writ of Habeas Corpus, for the reason that I will be out of the Sebastian county detention center on the 14th of Jan. I'm sorry to have wasted your time and I was thankful that you and your court allowed me to file my first and second writ. I wish that you would send a copy of this to Sheriff Cauthron personally. He and all of his deputys including, Captain Nicholes, Deputy Etter, Deputy Richman, Deputy Carmack, Deputy Glass, Deputy Burgess, Deputy Brandes, Deputy Fintress, Deputy King and others do an outstanding job of trying to help the inmates up here. At times I felt my rights were violated and the jail itself didn't live up to my standards. But it's been a good type of therapy for me. (adversion) If you would maybe all the above should receive a copy for legal purposes. I'm not an attorney so I'd wish to retire from the legal business, and jails also

Yours Truly
