Mallun, in the simplest terms possible, are you saying that this troll filed a patent lawsuit against us before they even had the patent issued to them?

Can we have the TrollTracker do a very simply worded blog about this? I'd love to be able to send it out to a few of the legal reporters and bloggers. I play a game with them now about I have no idea who the TrollTracker is but I read his/her blog religiously.

TT: Would this be hitting too close to home in terms of dotted line between TT and Cisco?
