Subject: Violation of Rules and Protective Order-Urgent

Importance: High

Patty and Nick,

It has come to my attention that you have filed as a public document a "Submission Log" that contains Cisco's privileged information, which is a violation of the Protective Order in the Albritton case. For instance, you have even quoted from Cisco's privileged documents in this public filing. As you know, Cisco was to submit its submission log *in camera*, not through a public filing. Please withdraw your filing immediately.

Take care,

Crystal J. Parker
