JAMES JOSEPH PARKER

DEFENDANT

ORDER

Before the Court is Defendant's Motion to Compel. ECF No. 12. Plaintiff has not filed a response to the motion, and the time for response has passed. The Court finds this matter ripe for consideration.

On August 24, 2022, Defendant propounded interrogatories and requests for production of documents to Plaintiff. Plaintiff responded to the discovery requests. On November 17, 2022, Defendant sent a letter requesting supplemental information and medical authorizations to assist in obtaining Plaintiff's medical records. Pursuant to the Court's final scheduling order, expert witnesses must be disclosed by February 20, 2023, and discovery must be completed by May 21, 2023. Defendant moves the Court to compel Plaintiff to submit full and complete answers to the interrogatories and requests for production of documents and to provide an executed medical authorization.

Upon consideration, the Court finds that the Defendant's Motion to Compel (ECF No. 12) should be and hereby is **GRANTED**. Plaintiff must submit full and complete answers to the interrogatories and requests for production of documents propounded to him on August 24, 2022, and provide an executed medical authorization before **January 24, 2023**. Failure to comply with
