Plaintiff has submitted for filing in this district a civil rights complaint pursuant to 42 U.S.C. § 1983. We find the complaint should be provisionally filed prior to a determination regarding plaintiff's status as a pauper and service of process. The United States District Clerk is hereby directed to file the complaint.

Plaintiff's in forma pauperis application has been returned without filing for completion of answers to questions 3a through 3f and certification regarding any inmate funds being held in his name. Plaintiff is given up to and including August 31, 2006, in which to provide answers to questions 3a through 3f, have the appropriate officer complete the certification, and return the application to this court for review and filing. **Should plaintiff fail to return the application within the required period of time, his complaint will become subject to summary dismissal for failure to obey a court order.**
