[Assigned to the Honorable Gary A.

**PROTECTIVE ORDER FOR  
 PRODUCTION OF DOCUMENTS**

23  
 24 Having considered the parties' Stipulation Re: Protective Order for  
 25 Production of Documents ("Stipulation"), and good cause appearing, the Court  
 26 orders as follows:

27 1. That all documents produced by Defendant in discovery, including but  
 28 not limited to, documents produced and/or identified in Defendant's initial

1 disclosures, supplemental disclosures, and responses to Plaintiffs' written discovery  
2 requests that contain a third party's private, confidential information, including but  
3 not limited to, third parties' names, phone numbers, addresses, social security  
4 numbers, arrest information, discipline, wages and similar information, some of  
5 which may be protected by California Penal Code sections 832.5 and 832.7, and  
6 California Evidence Code section, 1040 *et seq.*, shall be kept strictly confidential  
7 and may only be examined by the attorneys for the parties, their agents, employees,  
8 consultants, witnesses, court reporters, deponents, the parties themselves, and/or the  
9 Court, and only in connection with this subject litigation, and shall not be published  
10 to any third parties or used in connection with any other litigation.

11 2. That in the event that either party uses such documents at trial or for  
12 pre-trial motion, or any other motion or filing, the parties may file protected  
13 documents so long as all protected information of third parties is redacted. Either  
14 party may seek a protective order to place such documents under seal or have them  
15 stricken based on failure to redact protected information.

16 3. After the conclusion of this litigation, the parties will return all  
17 documents subject to this Stipulation within 45 calendar days without awaiting the  
18 other parties' request.

19 IT IS SO ORDERED.
