## Add Page Numbers in Acrobat

You can easily add page numbers in Acrobat after making a PDF file. **To add page numbers to a document:**

1. Open your PDF and go to Document > Header and Footer > Add
2. In the Header and Footer menu click in one the six boxes depending on where on the page you want your page number to appear.
3. Click insert page number
4. After that you can change the page number preferences in the Page Number and Date Format section if you'd like.
5. Finally, click OK and check out your page numbers!
