_____)	

Pursuant to 28 U.S.C. § 636, the Court has reviewed the Petition, records on file, and the Report and Recommendation of the United States Magistrate Judge. The Court has engaged in a de novo review of those portions of the Report and Recommendation to which objection has been made. The Court finds that the passage (at Report and Recommendation, p. 19, lines 14-15) reading: "a juror should 'discuss or consider the subject of penalty or punishment,'" should be corrected to read: "a juror should not 'discuss or consider the subject of penalty or punishment.'" Subject to this correction, the Court accepts the findings and recommendation of the Magistrate Judge.
