16
 17 UNITED STATES DISTRICT COURT
 18 CENTRAL DISTRICT OF CALIFORNIA
 19 WESTERN DIVISION

20 VALUECLICK, INC.,
 21 a Delaware Corporation,

22 Plaintiff,

23 v.

24 REVENUE SCIENCE, INC.,
 25 a Washington Corporation,

26 Defendant.

Case No.: CV 07 2052 MMM (JCX)

**DEFENDANT REVENUE
 SCIENCE, INC.'S EX PARTE
 APPLICATION TO ENLARGE
 PAGE LIMIT**

1 Defendant Revenue Science, Inc. (“RSI”) hereby applies to the Court ex parte
2 for an Order enlarging the page limit for RSI’s Responsive Claim Construction Brief,
3 filed herewith. Such an increase in the page limit is necessary in order to address the
4 lengthy ValueClick’s Opening Claim Construction Brief, which at 32 pages is 7
5 pages longer than the page limit of 25. RSI’s Opening Claim Construction Brief, by
6 contrast, was within the page limit of 25.

7 RSI has meet and conferred with ValueClick and ValueClick has agreed to the
8 extension.

9 RSI has made every effort to shorten its Responsive Claim Construction Brief
10 and address only those issues not previously addressed in its Opening Brief.
11 However, ValueClick’s inaccurate description of the patents-in-suit and the
12 applicable claim construction law has required RSI to address these issues more
13 extensively in its Responsive Claim Construction Brief. Accordingly, RSI
14 respectfully requests that the Court permit RSI to enlarge the page limit of its
15 Responsive Claim Construction Brief to 31.
