Proceedings: IN CHAMBERS (No Proceedings Held)

The parties have requested that the Court extend the deadline and allow them to submit another joint status report as to the claims against the “investor defendants” and the adjustment to the case schedule. The Court has strong views about whether certain of the proposals set forth in at least one of the parties’ draft proposals are either consistent with the Court’s proposal, necessary, or even appropriate, but will await the parties’ next status report. Good cause appearing, the Court extends the deadline to December 15, 2008. The Court will not grant any further extensions.
