Case called. Counsel make their appearances. Court questions counsel and listens to their responses.

The parties have resolved part of Veoh's renewed motion to compel plaintiff to identify the works at issue. As stated on the record, plaintiff will serve supplemental responses to interrogatories 1, 2 and 3, and plaintiff will produce documents in response to request 26 by January 9, 2009. In addition, the deadline for plaintiff to provide a complete list of the allegedly infringed works at issue in this case is January 16, 2009. Plaintiff may seek an extension of that deadline, if necessary. To this extent, the motion is granted.

All other motions are argued and submitted for decision.
