UNITED STATES DISTRICT COURT  
CENTRAL DISTRICT OF CALIFORNIA

MAURICE P. OLIVIER,

Plaintiff,

v.

GLORIA MOLINA, et al.,

Defendants.

NO. CV 08-7169-JFW (AGR)

ORDER ADOPTING MAGISTRATE  
JUDGE'S REPORT AND  
RECOMMENDATION

Pursuant to 28 U.S.C. § 636, the Court has reviewed the Petition, records on file, and the Report and Recommendation of the United States Magistrate Judge. Further, the Court has engaged in a *de novo* review of those portions of the Report to which the parties have objected. The Court accepts the findings and recommendation of the Magistrate Judge.

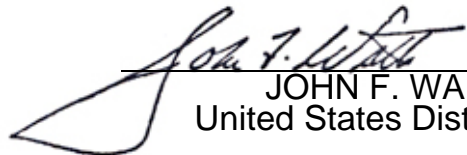

The Report recommended dismissal without prejudice of Claim Two for failure to exhaust the cell infestation grievance other than lice. (Report at 13.) Defendant objects because although Plaintiff started the exhaustion process, he did not complete it. (Defendant Objections at 6.) However, Plaintiff was not required to further exhaust the lice portion of his grievance because according to Deputy Kelley, the Custodian of Records for the Men's Central Jail Legal Unit,

1 Plaintiff was seen and treated, his cell was inspected, and no lice were found.  
2 (Dkt. No. 39, Kevin Kelley Decl. ¶¶ 1, 13 & n.1.); see *Brown v. Valoff*, 422 F.3d  
3 926, 935 (9th Cir. 2005) (“a prisoner need not press on to exhaust further levels  
4 of review once he has . . . received all ‘available’ remedies at an intermediate  
5 level of review”).

6 Defendant’s other objections and Petitioner’s objections are without merit.

7 IT IS ORDERED that (1) the Report and Recommendation is adopted; (2)  
8 Defendant’s unenumerated Rule 12(b) motion based on failure to exhaust  
9 remedies is granted in part and denied in part; (3) Defendant’s Rule 12(b)(6)  
10 motion to dismiss for failure to state a claim is granted in part and denied in part;  
11 (4) Claim Two with respect to cell infestation other than lice is dismissed without  
12 prejudice; (5) Defendant Baca in his individual capacity in Claim Two is dismissed  
13 with prejudice; (6) both claims based on the Fifth Amendment are dismissed with  
14 prejudice; (7) both claims based on the Standard Minimum Rules for the  
15 Treatment of Prisoners are dismissed with prejudice; and (8) the failure to train  
16 claim with respect to Claim Two is dismissed with prejudice.
