On April 6, 2011, the Court vacated a status conference set for April 11, 2011, and ordered Plaintiff to file a status report on April 11, 2011, and "every 3 months thereafter." (ECF No. 89.) In spite of this direction, Plaintiff has filed status reports only on April 7, 2011; April 14, 2011; and April 22, 2012. Plaintiff is therefore ORDERED TO SHOW CAUSE in writing no later than October 12, 2012, why this action should not be dismissed for lack of prosecution and violation of this Court's order to file periodic status reports.
