DECLARATION OF PETER MALLON

DECLARATION OF PETER MALLON

I, PETER MALLON, certify and declare as follows:

1. I am an attorney at law duly licensed to practice before all courts of the State of
California, and before this Court, and am employed by the Law Offices of Steven D. Hillyard,

1 APC.

2 2. I have actual knowledge of the matters stated herein and could competently testify
3 thereto, except for those matters stated on information and belief, and as to those matters, I am
4 informed and believe them to be true.

5 3. This declaration is provided to provide the Court with new information relevant to
6 claims made in the above-captioned lawsuit. I am not employed by, nor personally acquainted
7 with any party involved in this case.

8 4. I have been admitted to practice law in the State of California since 1986, and have
9 been admitted to practice by the United States District Court for the Northern, Central and Eastern
10 Districts, and the United States Court of Appeal for the Ninth Circuit. I have served as a judicial
11 arbitrator for the California Superior Courts over the past twenty (20) years in various counties,
12 including Los Angeles, San Francisco and Marin. I have had an "AV" Peer Rating from
13 Martindale Hubbell (the highest rating attainable) for approximately the past ten (10) consecutive
14 years. I have never been subject to any State Bar disciplinary proceeding, have never had a claim
15 for legal malpractice asserted against me or any associates working under me, and have never been
16 a party to an attorney-client fee dispute. My practice has specialized in civil litigation since I was
17 first admitted to practice in 1986, and my primary practice area is general casualty defense.

18 5. On July 22, 2010, at approximately 3:30 p.m., I was sitting in my office when my
19 secretary, Karen Merick, received a telephone call from an individual named Trent Swain, who
20 identified himself as being from "Quick Rep Repair". Ms. Merick got my attention, and motioned
21 for me to walk over to her desk so I could hear the conversation and see the notes she was
22 scribbling down. Ms. Merick asked the caller to identify himself and his company again, and Mr.
23 Swain gave her a telephone number at which he could be contacted, namely 888-610-6976. Mr.
24 Swain then asked out of the blue whether our law firm has a website. We do not, and Ms. Merick
25 so advised Mr. Swain. He then advised Ms. Merick that a derogatory report had been posted
26 about me and our firm on the internet, which is prominently displayed in response to Google
27 searches for "HDMLAW.COM". (This is the Domain for the firm's email.) Mr. Swain then
28 stated that his company could "help us" undo the damage caused by the negative internet posting

1 about me for a fee, and Ms. Merick suggested that he speak with Mr. Hillyard. Mr. Swain left a
2 telephone message for Mr. Hillyard, essentially repeating the same information set forth above.

3 6. I immediately conducted a Google search for "HMDLAW.COM" and found a link
4 to an outrageous, defamatory "Report" about me dated July 11, 2010, on a website called
5 "RipoffReport.com". The "Report" contains nothing but derogatory slurs about me, referring to
6 me as "incompetent", "slimy", and that I make my firm "look like whores". It states, falsely, that I
7 am not respected in the legal community. An "update" to the "report" states "watch your pockets,
8 the billing rate is terrible..." The "report" also appears in response to Google searches for my
9 name. A true and correct copy of the "report" is attached hereto as Exhibit "A".

10 7. On July 22, 2010, Mr. Swain called my office two additional times in an effort to
11 sell his reputation repair services to me or Mr. Hillyard. I did not return Mr. Swain's calls on that
12 day, nor did Mr. Hillyard (who was out of the office).

13 7. On July 23, 2010, I received a fax from another company called
14 "ReputationRepairServices.com", also offering its fee services to repair the harm to my reputation
15 caused by the posting on RipoffReport.com about me. A true and correct copy of this fax is
16 attached hereto as Exhibit "B", inclusive of a screen shot from a Google search of my name that
17 was provided as part of the fax showing the link to Ripoffreport.com.

18 8. On July 23, 2010, I returned the call from Mr. Swain to obtain information about
19 Quick Rep Repair's services. I spoke with Mr. Pat Kennedy of San Diego, California, who
20 identified himself as the business partner of Mr. Swain. He advised me that it would cost a
21 minimum of \$2,995 for me to retain their services for one month to commence work to repair my
22 reputation. He told me that the owner of RipoffReport.com is generally in hiding to avoid service
23 of lawsuits against him, and that RipoffReport.com refuses to remove postings no matter how
24 reckless or defamatory in nature, such as the one posted about me.

25 9. I have spent the past 23 years working hard to establish an excellent reputation for
26 myself. The recklessly defamatory and malicious statements now appearing on
27 Ripoffreport.com's website have caused my hard earned reputation irreparable harm.

28 10. While I have not had time since yesterday to familiarize myself fully with the

1 issues raised by plaintiff's complaint in this case, based upon my experience over the past 48
2 hours it is my strong belief that the Honorable Court should exercise its power to order injunctive
3 relief as prayed for by plaintiffs, requiring Ripoffreport.com to remove all unverified defamatory
4 "reports" from its website, and such other relief as is appropriate to curtail its ability to facilitate
5 costly reputation destruction by anonymous posters and by Ripoffreport.com.

6

7 I declare under penalty of perjury under the laws of the United States of America, that the
8 foregoing is true and correct. Executed this 23rd day of July, 2010 at San Francisco, California.

Peter Mallon is a dirty slimy attorney who is an incompetent. He reacts off emotion and defends his client in a way that makes the firm look like they are whores. Taking up any lawsuit to make money. If I were them and this is my opinion (constitutional right) to speak freely should fire him and send him to the EDD line. He absolutely sucks at his job and in my opinion is not respected in the legal community.
