Subject: QUESTIONS =RE: Corporate Advocacy Intake

Once you send this email string back with the answers to the questions below.. , we will have the agreement to you in a few days..

below should answer any of your questions.. when you fill this out and send this entire email string back,.. ask us anything you like... !

QUESTIONS for Agreement below...

First, just a few comments...

Once I send you the agreement and you send it back signed with payment,.. we will send you email text so you can change it to reflect your business,.. then we send it out to the people who filed a Report, (even if they are false) .. an email which I sent you a sample in the last email to you.. when I sent you the rates in the previous email..

Then we send you the TEXT outline so you can give us your proposed comments you would like us to use to talk about your company, explaining changes your company has made, and your companies commitment to customer service and to explain about complaints you've received and the changes you've made... and other positive comments about your company.. this can also include links to different pages about your company.. Remember, these are commitments you will have to live up to.

Once the main Report above is done, then we send you the 250 to 350 words you want us to put in front of the Reports found on search engines.. you can give us your proposed comments you would like us to post.. like this one.. http://www.google.com/search?hl=en&q=Blue+Coast+Financial&aq=f&aqi=g8g-m1&aql=&oq=&gs_rfai=

Any questions, comments or suggestions.. just let us know..

NOTE: if you think you are going to become a member of the program within the next 7 days.. let us know, we will put you on an immediate monitoring for new Reports as a courtesy.. and we will handle them as we would if you are on the program. But, if we do that, you will have to make things right with the complaining customer, as you would be doing when you are on the Corporate Advocacy Program.
