Tina,

I have received all of your emails over the last week and, if possible, will respond to you further once I have a chance to review them; unfortunately this won't be for a little while.

However, before I do so, I need to ask you something – do you believe that you have been the victim of extortion or attempted extortion by Mr. Magedson or the Ripoff Report? I have recently learned that you may be making such a claim and if that's so, I need to understand the basis for that allegation as well as your intentions before I can move forward with responding to your emails.

I have 40 more documents sent over 3 years, just like this letter, requesting that she (Molli Funk) stop writing about TNT on your site, and all other sites. Tina
