Once again, I will remind you that we have the San Antonio TX Police Department, The Des Moines Iowa Police, The FBI, The Lead Detective on the homicide case involving Lupe Alsidez' ex-wife - she was shot in the head dead, while peering through her apartment peep hole door at 2am on July 23, 2008. You are harboring a criminal and allowing his threats and harassment's to continue on your site. We have dates booked for appearances on 20/20, the Today Show, and Oprah. Internet Defamation will stop. It is wrong, and the very "ideal" that you promote is corrupt.

Again, knowing that this man has threatened to kill me, in writing and on the phone, which is criminal, I would think that a decent human being (as you promote yourself to be) would voluntarily take down any postings with LUPE ALSIDEZ name attached. I HAVE 300 ROR from LUPE ALSIDEZ ON YOUR SITE IN 1 YEAR!!! HOW MANY IS CONSIDERED TO BE HARASSING?
