Today - John Doe SF posted about my family member on your site. There is no reason anyone named in my family should have a permanent "Rip Off" Against them.

These people have posted on your site my niece's name - who is 15 years old.

It also has My mother who is 70 years old. And now my significant partner. None of them should ever be written about or on your site.

This is ridiculous. I don't understand how you allow this to happen on your site, allow good businesses to be destroyed...and be able to sleep at night. I hope to GOD I'm called to testify in the upcoming cases against you.
