Dan/Lisa,

We need to schedule a very quick call to meet and confer re: Xcentric's motion for summary judgment. Unlike my normal practice, I don't think it makes sense to send you a long written outline of my arguments since I have already explained most of the points in previous emails. However, I will say that the MSJ is going to be directed to all claims in the case, not just the RICO ones. I realize that there's likely no chance that you'll agree to drop any of your claims, so I expect the call won't take more than a couple of minutes.

Anyway, please let me know when you want to discuss the motion. Thanks.
