Great thank you. Note that I was somewhat unexpectedly scheduled to go to Zurich, Switzerland until 10/18.

Another critically ill witness in another matter, but it does create a real problem for me to handle the Eban Kelly deposition on October 20, 2011.

Is there any chance of rescheduling or delaying Mr. Kelly's dep? I realize that this is asking for a lot.

Jeff

Jeff –

I have all the financials to provide you except one page I'm waiting for from Universal. I want to explain the documents to you when I send them, because they are not necessarily self-explanatory. I hope to have everything end of the day today.
