IT IS ORDERED AND ADJUDGED:

Defendant's GS-1000 music stand does not infringe U.S. Patent No. 7,105,732, and Defendant is therefore not liable for infringement of that patent. Defendant withdrew its counterclaim of patent invalidity upon the Court's determination of non-infringement, so no claims remain pending in this case.

Thus, Judgment is entered in favor of Defendant. Defendant may recover its costs in an amount to be determined upon the filing and approval of the appropriate application consistent with the federal and/or local rules.
