### GLADIATOR ELECTRIC GUITAR - VINTAGE SERIES - LP-STYLE

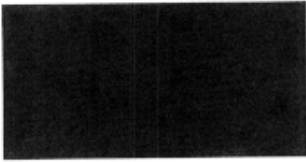

Item Number: GG-258-BNS

The finest Luthiers at Gladiator wanted to see how close they could get to a perfect reproduction of the iconic LP-Style guitar-and these superb Vintage Series guitars are the result! Every curve and body contour of the original mahogany body is faith-fully copied, along with the traditional bound, highly-flamed maple carved top and cream-colored plastic pickguard. The set-in, 1-piece mahogany neck is just the right shape and contour, and the tuning machines with green Keystone buttons are true to the original. 2 Wilkinson humbucking pickups and three authentic sunburst choices make this Gladiator a sure winner!

- Perfectly contoured cream bound mahogany body with highly flamed, solid maple carved top and 1-piece set-in mahogany neck
- Cream bound rosewood fingerboard with perloid trapezoid-shaped inlays and polished nickel-silver frets
- Two-way adjustable truss rod
- Two Wilkinson humbucking pickups with cream rings
- Single-ply cream pickguard
- Separate volume and tone controls for each pickup
- 3-Way pickup selector switch
- Vintage-style tuners with green plastic buttons
- Chrome plated adjustable bridge and stop-style tailpiece
- Available in brown sunburst, cherry sunburst, and dark red sunburst
