ORDER TO SHOW CAUSE

On December 1, 2011, petitioner filed a motion seeking a stay of this case so that he could exhaust his state remedies with respect to grounds four through seven of the petition. His motion was granted on December 7, 2011, and petitioner was directed to file and serve status reports informing the Court of his progress every sixty days. Petitioner's last status report was filed on March 5, 2012 - more than eight months ago.

Petitioner shall have twenty-one (21) days from the date of this order to show cause why the stay should not be vacated and his mixed petition dismissed without prejudice. Petitioner's failure to timely reply will be deemed his consent to the dismissal of this case.

IT IS SO ORDERED.
