On June 5, 2012, the Court filed a Report and Recommendation finding that all claims in the petition were unexhausted and that dismissal of the petition was required. On July 6, 2012, Petitioner filed a notice with the Court stating that the California Supreme Court had denied his most petition for writ of habeas corpus and that all claims are now exhausted.

On or before August 3, 2012, Respondent shall show cause why the Report and Recommendation should not be vacated and an order filed requiring Respondent to file an answer addressing the merits of the petition.
