**Proceedings: ORDER To Show Cause re: Failure to File Class Action Settlement Agreement (IN CHAMBERS)**

On September 29, 2014, Plaintiffs Thomas McNeal, et al., filed a Motion for Preliminary Approval of Class Action Settlement. (“Motion,” Doc. No. 77). In Plaintiffs’ attached Memorandum of Points and Authorities, they describe some of the settlement terms and indicate that “[a] copy of the Class Action Settlement Agreement and Release of Claims . . . will be filed shortly.” (Doc. No. 77-1). However, no settlement agreement has yet been filed. No opposition to the Motion has been filed.

Accordingly, the Court, on its own motion, ORDERS Plaintiffs to file a copy of the class action settlement agreement on or before **October 23, 2014**, and to show cause in writing by that date why Plaintiffs’ Motion should not be denied. Failure to respond to this Order and to file a copy of the class action settlement agreement will be deemed consent to the denial of Plaintiffs’ Motion.

**IT IS SO ORDERED.**
