ORDER RE: UNSERVED DEFENDANTS

The Court has reviewed the status reports submitted by counsel and signed the proposed orders. It appears, based on that review, that there are some defendants in these cases who have not yet been served. To the extent that there are any unserved defendants in this case, Plaintiffs are ordered either to dismiss those parties from the lawsuit or to show cause why dismissal would not be appropriate at this time. Plaintiffs must respond to this OSC no later than close of business on April 5, 2013. Failure to respond will be deemed consent to the dismissal of any unserved party.

IT IS SO ORDERED.
