| Absent a showing of good cause, an action must be dismissed without prejudice if the summons and complaint are not served on a defendant within 120 days after the complaint is filed. Fed. R. Civ. P. 4(m). Generally, a defendant must answer the complaint within 21 days after service (60 days if the defendant is the United States). Fed. R. Civ. P. 12(a). The court may dismiss the action prior to the 120 days, however, if plaintiff(s) has/have not diligently prosecuted the action.  In the present case, it appears that one or more of these time periods has not been met. |  |                        |                              |                      |                      |                                   |              |                      |                    |                     |                   |   |  |
