UNITED STATES DISTRICT COURT
CENTRAL DISTRICT OF CALIFORNIA

TYAN, INC., a California corporation
doing business as SECURITY
SPECIALISTS,

Plaintiff,

v.

YOVAN GARCIA, et al.,

Defendants.

Case No. CV 15-5443-MWF(JPRx)

ORDER GRANTING APPLICATION
FOR INJUNCTIVE RELIEF IN AID
OF JUDGMENT AGAINST YOVAN
GARCIA

Before the Court is Plaintiff's Application for Injunctive Relief in Aid of Judgment Against Yovan Garcia, filed on August 21, 2017 (Docket No. 145). Good cause appearing therefor, the Court hereby GRANTS Plaintiff's Application.

Plaintiff has satisfied all of the requirements for permanent injunctive relief. In particular, Plaintiffs have demonstrated that they prevailed on the merits of the action pursuant to the Findings of Fact and Conclusions of Law issued by this Court on or about May 2, 2017. (Docket No. 132.)

Plaintiff has demonstrated that without injunctive relief, it would suffer substantial, irreparable harm and have no adequate remedy at law. The public interest favors an injunction, as the public interest always favors the enforcement of laws prohibiting disseminating private and confidential information, and

1 prohibiting violations of the California Uniform Trade Secrets Act, Computer
2 Fraud and Abuse Act and the Stored Communications Act, and conspiracies in
3 furtherance of such violations. Defendant Garcia also has no legal entitlement to
4 publish such information and maintain a course of conduct proscribed by law.

5 Accordingly, this Court hereby permanently **ENJOINS** defendant Garcia
6 from posting, publishing, or otherwise disseminating confidential or proprietary
7 information relating to Security Specialists, especially information gained from the
8 2014 hack of the company's servers on any website, email, text message, or other
9 methods of dissemination.

10 Furthermore, this Court hereby **ORDERS** defendant Garcia to take down
11 and/or delete the websites, as well as the source images and videos at the following
12 URLs within two (2) weeks of the issuance of the Order:

- 13 1. <https://vk.com/videos118559931> (source video upload URL for
14 video embedded on the CAPatrol.com website.);

25 Specialists are hosted.
