UNITED STATES DISTRICT COURT
CENTRAL DISTRICT OF CALIFORNIA

HYDROTECH MEMBRANE
CORPORATION,

Plaintiff,

v.

NYNEIA BEVERLY,

Defendant.

Case No. 2:15-cv-8040 BRO E

The Hon. Beverly Reid O’Connell

JUDGMENT

1 **JUDGMENT**

2 On September 12, 2016, this Court heard argument on Plaintiff Hydrotech
3 Membrane Corporation's motion for summary judgment. After considering the
4 briefs and evidence filed by the parties and the arguments of counsel, the Court
5 granted Plaintiff's motion for summary judgment with respect to its claim for
6 conversion on September 14, 2016. *See* ECF No. 53. The Court hereby enters
7 judgment as follows:

- 8
- 9 (1) The Court finds that there is no genuine dispute of material fact with
10 respect to Plaintiff's claim for conversion against Defendant and
11 accordingly grants Plaintiff's motion for summary judgment with respect
12 to that claim. The Court declines to reach Plaintiff's remaining claims
13 against Defendant for unjust enrichment and money had and received.
14
- 15 (2) The Court determines that the undisputed evidence demonstrates that
16 Plaintiff suffered \$95,027.58 in damages as a result of Defendant's
17 conduct and hereby awards Plaintiff damages in that amount.
18

19 The Court accordingly enters a final judgment in favor of Plaintiff
20 Hydrotech Membrane Corporation and against Defendant Nyneia Beverly in the
21 amount of \$95,027.58. The Clerk of the Court is instructed to close the file.
22

23 IT IS SO ORDERED.

24 DATED: September 21, 2016

25 HON. BEVERLY REID O'CONNELL
26 United States District Judge
