**Proceedings: (In Chambers) Order to Show Cause Re: Dismissal Re: Lack of Prosecution**

Absent a showing of good cause, an action must be dismissed without prejudice if the summons and complaint are not served on a defendant within 90 days after the complaint is filed. Fed. R. Civ. P. 4(m). Generally, a defendant must answer the complaint within 21 days after service (60 days if the defendant is the United States). Fed. R. Civ. P. 12(a). The court may dismiss the action prior to the 90 days, however, if plaintiff(s) has/have not diligently prosecuted the action.

In the present case, it appears that one or more of these time periods has not been met. Accordingly, the court, on its own motion, orders plaintiff(s) to show cause in writing on or before **March 31, 2016**, why this action should not be dismissed for lack of prosecution. Pursuant to Fed. R. Civ. P. 78(b), the court finds that this matter is appropriate for submission without oral argument. The Order to Show Cause will stand submitted upon the filing of plaintiff's response, if plaintiff/defendant files

- Proof(s) of service of summons and complaint on the following defendant(s):  
**Terri McDonald, Eric G. Parra, Joanne Sharp, Victor M. Trujillo, Daniel J. Dyer (in individual and official capacities)**
- An answer by the following defendant(s): **Terri McDonald, Eric G. Parra, Joanne Sharp, Victor M. Trujillo, Daniel J. Dyer (in individual and official capacities)**

on or before the date indicated above, the court will consider this a satisfactory response to the Order to Show Cause.
