

1 On July 15, 2016, the Court issued a writ ordering the City of Los Angeles to
2 “set aside [its] decision in connection with Case No. ZA-2014-1239-CUW; ENV-
3 2014-1240-MND and hold a further administrative hearing in connection with
4 Petitioner’s project.” (ECF No. 18.) The writ was returned on October 14, 2016.
5 (ECF No. 22.) It appears that the City of Los Angeles has complied with the terms of
6 the writ. The Court now issues this order to show cause why this case should not be
7 dismissed. If neither party objects in writing on or before November 14, 2016, the
8 Court shall terminate this case.
