CIRCUIT ADVISORY COMMITTEE NOTE TO RULE 22-3

The district court is required to transfer mistakenly filed applications for authorization to file a second or successive section 2254 petition or 2255 motion. If an applicant files a document that appears to be an unauthorized section 2254 petition or 2255 motion and facially alleges a claim based on a new rule of constitutional law or newly discovered evidence of actual innocence, the district court may transfer the filing to the court of appeals in the interests of justice or, in the alternative, the district court may dismiss the filing without prejudice to the applicant seeking authorization from the court of appeals on Ninth Circuit Form 12.

The rule requires applicants to provide this Court with the proposed petition or motion. Pro se applicants are encouraged to use the form petition or motion adopted by the district court where the applicant anticipates filing the document. (New 7/1/16)
