Proceedings: (IN CHAMBERS) ORDER REMANDING CIVIL ACTION TO SUPERIOR COURT

On June 30, 2017, Defendant removed *Greenstein v. B&G Foods Inc.* (CV17-04839) based on diversity jurisdiction. Upon review of the Notice of Removal, the Court remanded the action for lack of subject matter jurisdiction. On July 10, 2017, Defendant again, removed the same case. Upon review of the Defendant's second Notice of Removal, the Court finds that the removal is not based on any newly acquired facts. Moreover, the facts upon which Defendant relies to establish the amount in controversy are too speculative and conclusory to satisfy its burden.

The Court remands this action in its entirety.

IT IS SO ORDERED.
