15 UNITED STATES DISTRICT COURT

16 CENTRAL DISTRICT OF CALIFORNIA, WESTERN DIVISION

17 CALIFORNIA RIVER WATCH, an  
 18 IRC Section 501(c)(3), non-profit,  
 19 public benefit corporation,

Case No.: 2:17-cv-05896-CAS (RAOx)

20 Plaintiff,

~~PROPOSED~~ **CONSENT DECREE**

21 v.

(Environmental – Clean Water Act 33  
 U.S.C. § 1251 *et seq.*)

22 MALIBU BAY CLUB and VENTURA  
 23 REGIONAL SANITATION DISTRICT,

Trial Date: None

24 Defendants.  
 25 \_\_\_\_\_ /

26 WHEREAS, on August 9, 2017, California River Watch (“CRW”) filed its  
 27 Complaint in this Court in the above-titled action asserting it is an Internal Revenue  
 Code section 501(c)3 nonprofit, public benefit corporation organized under the laws  
 of the State of California, dedicated to protecting, enhancing, and helping to restore  
 the surface waters and ground waters of California, including coastal waters, rivers,  
 creeks, streams, wetlands, vernal pools, aquifers and associated environs, biota, flora  
 and fauna, and to educating the public concerning environmental issues associated  
 with these environs;

WHEREAS, the Complaint alleges Defendants own and operate a collection

1 system treatment facility, and leach lines (collectively “the Facility”) for the purpose  
2 of collecting and conveying for treatment wastewater from the Malibu Bay Club,  
3 subject to various federal and state regulatory requirements under the federal Water  
4 Pollution Control Act, 33 U.S.C. §§1251 *et seq.* (“Clean Water Act” or “CWA”);

5 WHEREAS, on January 12, 2017, CRW served Defendants, the United States  
6 Environmental Protection Agency (“EPA”), EPA Region IX, the Executive Director  
7 of the State Water Resources Control Board (“State Board”) and the Executive  
8 Director of the Los Angeles Regional Water Quality Control Board (“Regional  
9 Board”) with a 60-day Notice of Violations and Intent to File Suit (“Notice Letter”  
10 or “Notice”) alleging various violations of the CWA relating to the collection  
11 system;

12 WHEREAS, On January 11, 2001, the Regional Board issued Order No. 01-  
13 008 containing the Waste Discharge Requirements (“WDR”) that permitted the  
14 Facility. Order No. 01-008 also rescinded Regional Board Order No. 94-136  
15 (December 5, 1994), except for enforcement of Order No. 94-136. The WDR for the  
16 Facility was subsequently extended by the Regional Board in 2006, 2011, and 2016.  
17 Defendant Ventura Regional Sanitation District (the “District”) has continuously  
18 operated the Facility since 2005. The District has operated the Facility within the  
19 parameters contained in the WDR from 2005 to the present. As part of these  
20 operations, the District has monitored the constituent levels in the wastewater  
21 effluent discharged from the Facility to the groundwater and self-reported all  
22 exceedances of limits set forth in the WDR to the Regional Board. The District has  
23 cooperated with the Regional Board at all times during its operation of the Facility  
24 and filed all necessary reports and other documentation called for by the WDR. On  
25 or about February 22, 2017, the Regional Board issued a Notification of Violation  
26 (“NOV”) to the District alleging the same or similar violations of the subject WDR.  
27

1 as CRW alleged in its Notice Letter. The District provided formal response to the  
2 Regional Board NOV on April 24, 2017 and it was subsequently determined that the  
3 Regional Board would not file an Administrative Civil  
4 Liability Complaint against the District for this NOV, but would accept the District's  
5 formal response to the NOV as adequate under the facts and circumstances of the  
6 alleged violations.

7 WHEREAS, the District denies all of CRW's allegations that it is liable for  
8 any claims that were, or could have been, asserted against the District based upon  
9 the Notice Letter;

10 WHEREAS, the parties have expended effort and resources in investigating  
11 and evaluating allegations and claims set forth in the Notice Letter, including the  
12 exchange of information regarding the collection system, as well as engaging in a  
13 negotiation and technical dialogue regarding settlement;

14 WHEREAS, the parties now wish to resolve and settle all disputes,  
15 obligations, and purported or actual claims or causes of action, which may exist by  
16 and between CRW and the District, including without limitation any disputes,  
17 obligations, claims and/or causes of action that were or could have been asserted in  
18 or pursuant to the Notice Letter and have tentatively reached a settlement;

19 WHEREAS, the parties have agreed that it is in their mutual interest to enter  
20 into a Consent Decree setting forth terms and conditions appropriate to resolving the  
21 allegations set forth in the Complaint without further proceedings.

22 **NOW, THEREFORE, IT IS HEREBY STIPULATED BETWEEN THE**  
23 **SETTLING PARTIES AND ORDERED AND DECREED BY THE COURT**  
24 **AS FOLLOWS:**

25 1. The Court has jurisdiction over the subject matter of this action pursuant  
26 to 28 U.S.C. §1331 (federal question), and 33 U.S.C. §1365(a) (CWA citizen suit  
27

1 jurisdiction).

2 2. Venue is appropriate in the Central District Court pursuant to 33 U.S.C.  
3 §1365(c)(1), because the alleged violations purportedly occurred within this District.  
4 Venue is also proper because the District is located, and the alleged events or  
5 omissions giving rise to CRW's claims allegedly occurred in this District. 28 U.S.C.  
6 §1391(b)(1),(2).

7 3. The Complaint is styled as a Complaint for Injunctive Relief, Civil  
8 Penalties and Declaratory Relief (Environmental-Clean Water Act 33 U.S.C. §1251,  
9 *et seq.*).

10 4. The Court shall retain jurisdiction over this matter for five years for  
11 purposes of interpreting, modifying or enforcing the terms of this Consent Decree,  
12 or as long thereafter as is necessary for the Court to resolve any motion to enforce  
13 this Consent Decree.

14 **I. OBJECTIVES**

15 It is the express purpose of the parties entering into this Consent Decree to  
16 further the objectives set forth in the CWA and to resolve those issues alleged by  
17 CRW in its Complaint. In light of these objectives and as set forth fully below, the  
18 District and CRW agree to comply with the provisions of this Consent Decree.

19 **II. COMMITMENTS OF THE DISTRICT**

20 **A. ACTIONS BY THE DISTRICT**

21 The District shall perform the below-specified acts. The District reserves the  
22 right, in its sole discretion, to determine: (i) which persons shall perform any acts  
23 described herein, including contractors; and (ii) the scope and technical details of,  
24 and the manner to implement, such work subject to review and approval by the State  
25 Board or Regional Board. In the event any provision of this section conflicts with  
26 requirements imposed by the State Board or Regional Board such that provisions  
27

1 required by this Consent Decree and those by the State or Regional Board are  
2 incompatible (with incompatible meaning that compliance with the requirements of  
3 this Consent Decree would directly interfere with or prevent the District from  
4 complying with State or Regional Board requirements), then the agency  
5 requirements shall prevail over conflicting provisions in this section. The District  
6 shall:

7 A.1. Prior to the Termination Date of this Consent Decree, and consistent  
8 with the provisions detailed in the letter to the State Board dated April 24, 2017,  
9 attached to this Consent Decree and incorporated herein, take reasonable actions  
10 to eliminate any exceedances of the current WDRs.

11 A.2. In the event the District employs chlorination into its "treatment train,"  
12 request revised WDRs applicable to the District be adopted by the Regional  
13 Board to add a sampling requirement for disinfection by-products.

14 A.3. Within one (1) year after the Effective Date of this Consent Decree,  
15 contract for and complete an "efficiency study" for the "treatment train,"  
16 conducted by an engineering and/or water quality consulting firm, demonstrating  
17 that the District's operations at the Facility will comply with applicable WDRs  
18 during the five (5) year period following the Effective Date of this Consent  
19 Decree. The District shall provide a copy of the study to CRW within thirty (30)  
20 days after receipt.

21 **B. FEES AND COSTS**

22 5. Within ten (10) calendar days after the Effective Date of this Consent  
23 Decree and approval by the Court, the District shall mail CRW the sum of Fifty  
24 Thousand dollars (\$50,000.00). Payment shall be made to CRW in the form of a  
25 single check payable to "California River Watch" and mailed to the Law Office of  
26 Jack Silver, 708 Gravenstein Highway North, # 407, Sebastopol, CA 95472. Said  
27

1 payment shall constitute full and complete satisfaction of all costs of litigation and  
2 attorneys' fees incurred by CRW that have or could have been claimed in connection  
3 with this matter up to and including the Effective Date of the Consent Decree, and  
4 for CRW's expert and attorneys' fees and costs for monitoring and enforcing the  
5 District's compliance with the ongoing obligations under this Consent Decree up to  
6 and including the Termination Date.

### 7 **III. COMMITMENTS OF CRW**

8 6. Within three (3) days of the final signature of this Consent Decree by the  
9 parties, CRW shall file a Notice of Settlement and Notice of 45-Day Review in the  
10 United States District Court for the Central District of California ("District Court").

11 7. CRW shall submit this [Proposed] Consent Decree to EPA and the U.S.  
12 Department of Justice ("DOJ") within three (3) days of obtaining parties' attorneys  
13 signatures approving as to form (with client signatures to follow), or at the latest  
14 three (3) days after the final signatures of the parties, consistent with 40 C.F.R. §  
15 135.5. The agency review period expires forty-five (45) days after receipt by both  
16 agencies, as evidenced by the certified return receipts, copies of which shall be  
17 provided to the District if requested. In the event that EPA or DOJ object to entry of  
18 this [Proposed] Consent Decree, the parties agree to meet and confer to attempt to  
19 resolve the issue(s) raised by EPA or DOJ.

20 8. CRW shall file this Consent Decree with the District Court within three  
21 (3) days after the Effective Date. CRW is responsible for notifying the District of  
22 the District Court's entry of the Order dismissing these claims with prejudice. Such  
23 notification can be satisfied by the Central District of California's Case  
24 Management/Electronic Case Filing ("CM/ECF") notification to the parties that the  
25 Order was executed and entered by the District Court.  
26  
27

1 **IV. EFFECTIVE DATE AND TERMINATION DATE**

2 9. The term “Effective Date,” as used in this Consent Decree, shall mean the  
3 date on which the parties receive notice that the District Court approved the fully  
4 executed Consent Decree.

5 10. The “Termination Date” of this Consent Decree is the date that all of the  
6 requirements under Section II are completed by the District or five (5) years from  
7 the date of full execution and court approval of this Consent Decree, whichever is  
8 earlier.

9 **V. DISPUTE RESOLUTION**

10 11. This Court shall retain jurisdiction over this matter for five (5) years for  
11 the purposes of implementing and enforcing the terms and conditions of this Consent  
12 Decree, and adjudicating all disputes among the parties that may arise under the  
13 provisions of this Consent Decree. The Court shall have the power to enforce this  
14 Consent Decree with all available legal and equitable remedies.

15 12. Any disputes between CRW and the District concerning any alleged  
16 breach of this Consent Decree shall be subject to the following dispute resolution  
17 procedures. Failure to satisfy the payment condition in Section II is a substantial  
18 breach of this Consent Decree and relieves CRW of its obligations under this  
19 Consent Decree:

- 20 a. Good Faith Negotiations. CRW and the District shall make good faith  
21 efforts to resolve informally any alleged breach of the Consent Decree.  
22 If informal efforts to resolve the alleged breach are unsuccessful, that  
23 Party shall provide written notice of the alleged breach and that Party’s  
24 intent to initiate the dispute resolution procedure of this Section. The  
25 notice shall include a recitation of all facts and circumstances giving  
26 rise to the dispute, including the particular provisions of the Consent  
27 Decree alleged to have been breached.

1           b. Mediation. If the dispute is not resolved by the Parties within thirty (30)  
2           days after such notice is given, such dispute shall be submitted to  
3           mediation before a mutually agreeable neutral mediator. The parties  
4           shall each bear their own costs and attorney's fees incurred in  
5           connection with such mediation.

6           c. Waiver. By agreeing to these dispute resolution provisions, the parties  
7           understand that they are waiving certain important rights and  
8           protections that otherwise may have been available to each of them if a  
9           dispute between them were determined by judicial action including,  
10          without limitation, the right to a jury trial, and certain rights of appeal.  
11          Other than the remedies contained within this Consent Decree  
12          including dispute resolution and specific performance of the terms of  
13          this Consent Decree, there are no other remedies. The parties  
14          specifically agree that there is no basis within this Consent Decree or  
15          within the contemplation of the Parties to support a claim for  
16          consequential damages due to any form of breach.

17          **VI. MUTUAL RELEASE OF LIABILITY AND COVENANT NOT TO SUE**

18          13. Release. It is the intent of the parties that the execution of this Consent  
19          Decree constitutes a full and complete satisfaction of all rights, claims and demands  
20          by CRW against the District with respect to any and all allegations and claims made  
21          in the Notice Letter and the Complaint under the Clean Water Act concerning the  
22          Facility. CRW on behalf of itself and any and all of its agents, representatives,  
23          successors, members, and assigns, except as otherwise provided for herein does  
24          hereby absolutely, fully and forever release, relieve, remise and discharge the  
25          District and its past and present employees, officers, directors, attorneys, and the  
26          predecessors, successors, and assigns of any of them, from all causes of actions,  
27          claims, damages (including punitive damages), demands, debts, actions, attorneys'

1 fees, costs of suit, and liabilities of every kind or nature whatsoever, arising  
2 exclusively out of the specific claims asserted in the Notice Letter under the Clean  
3 Water Act concerning the operation of the Facility. The release provided for herein  
4 shall be valid and effective whether the claims, causes of action, or liability hereby  
5 released (i) were known or unknown, suspected or unsuspected, (ii) were based in  
6 contract, tort, statute, or otherwise, or (iii) arise at law or in equity. The release shall  
7 survive the termination of this Consent Decree, whether by satisfaction of the terms  
8 and conditions hereof or operation of law.

9 14. Covenant Not to Sue. For the period beginning on the Effective Date  
10 and ending after five (5) years, CRW agrees that neither CRW, its officers, executive  
11 staff, members of its governing board nor any organization under the control of  
12 CRW, its officers, executive staff, or members of its governing board, will file any  
13 lawsuit against the District seeking relief for alleged violations of the Clean Water  
14 Act. CRW further agrees that, beginning on the Effective Date and ending after five  
15 (5) years, CRW will not actively support other lawsuits by providing financial  
16 assistance, personnel time or other affirmative actions against the District that may  
17 be proposed by other groups or individuals who would rely upon the citizen suit  
18 provision of the Clean Water Act to challenge the District's compliance with the  
19 Clean Water Act. This Not to Sue provision shall survive the termination of this  
20 Consent Decree. This Not to Sue provision shall not affect either party's right to  
21 enforce this Consent Decree.

## 22 **VII. MISCELLANEOUS PROVISIONS**

23 15. No Admission. The Consent Decree is the direct result of a compromise  
24 of disputed allegations and claims. As such, this Consent Decree shall not, for any  
25 purpose, be considered as an admission of liability by the District, nor shall the  
26 payment of any sum of money in consideration for the execution of this Consent  
27

1 Decree constitute or be construed as an admission of any liability by the District,  
2 which expressly denies any such liability or wrongdoing.

3 16. Delays in Schedule Implementation. In the event implementation by the  
4 District of the remedial measures set forth Section II of this Consent Decree does  
5 not occur by the agreed to dates, despite the timely good faith efforts of the District  
6 to acquire any necessary approvals and/or permits, or due to factors unforeseen at  
7 the time this Consent Decree was entered into, the District agrees to notify CRW in  
8 writing as soon as practicable after the anticipated delay becomes apparent, and in  
9 any case except in a case of force majeure described below, not less than twenty (20)  
10 days prior to any deadline set forth in Section II, and shall describe the reasons for  
11 the anticipated delay

12 17. Force Majeure. The District shall not be deemed in default or breach of  
13 this Consent Decree by reason of any event which constitutes a force majeure. For  
14 purposes of this Consent Decree, a force majeure is defined as any event arising from  
15 causes beyond the reasonable control of the District or its contractors that delay or  
16 prevents performance. This includes, without limitation, acts of God, acts of war,  
17 acts of terrorism, fire, explosion, extraordinary weather events, restraint by court  
18 order or public authority, or other causes beyond the District's reasonable control.  
19 Neither increased costs nor economic hardship shall constitute a force majeure.

20 18. Notices. All notices, consents, approvals, requests, demands and other  
21 communications (collectively, "Notice") which the parties are required or desire to  
22 serve upon or deliver to the other shall be in writing and shall be given by nationally  
23 – recognized overnight courier, by certified United States mail, return receipt

26 subject matter of this Consent Decree.

27 20. Parties' Acknowledgment of Terms. This Consent Decree has been  
carefully and fully read and reviewed by CRW, the District, and their respective

1 counsel, if any, who hereby represent that the contents of this Consent Decree are

9 the Consent Decree. All of the promises, representations, and warranties contained  
10 in this Consent Decree survive the execution of this Consent Decree.

11 22. No Assignments. Each party to this Consent Decree represents and  
12 warrants that it has not assigned, transferred, hypothecated, or sold to any third  
13 person or entity, any of the rights or obligations released by or entered into under  
14 this Consent Decree.

17 same agreement.

18 24. Headings. The headings used in this Consent Decree are for convenience  
19 of reference and shall not be used to define any provision.

20 25. Entire Consent Decree in Writing. This Consent Decree constitutes the  
21 entire agreement between the parties hereto with respect to the subject matter set  
22 forth herein and supersedes all previous or contemporaneous negotiations,

25 26. Modification or Amendment. This Consent Decree or any of its  
26 provisions may be modified or amended only by written agreement executed by all  
27 parties to this Consent Decree.

1           27. Severability. The invalidity or unenforceability of any provision of this  
2 Consent Decree shall in no way affect the validity or enforceability of any other  
3 provision. If, in any action before any court or other tribunal or competent  
4 jurisdiction, any term, restriction, covenant, or promise is held to be unenforceable  
5 for any reason, then such term, restriction, covenant, or promise shall be deemed  
6 modified to the extent necessary to make it enforceable by such court or other  
7 tribunal and, if it cannot be so modified, that this Consent Decree shall be deemed  
8 amended to delete here from such provision or portion adjudicated to be invalid or  
9 unenforceable, and the remainder of this Consent Decree shall be deemed to be in  
10 full force and effect as so modified. Any such modification or amendment in any  
11 event shall apply only with respect to the operation of this Consent Decree in the  
12 particular jurisdiction in which such adjudication is made.

13           28. Representations and Warranties. This Consent Decree is given  
14 voluntarily, free of undue influence, coercion, duress, menace, or fraud of any kind.  
15 No party, nor any officer, agent, employee, representative, or attorney of or for any
