ORDER APPROVING STIPULATION TO ABATE APPEAL

The Court having considered the Stipulation between Appellant, Point.360 and Appellee, United States Trustee (the “Parties”), to Abate this Appeal (the “Stipulation”), the record herein, and for good cause appearing,

1 IT IS HEREBY ORDERED that the Stipulation is approved.

2 1. This appeal is abated pending further order of the Court, which further
3 order the Parties anticipate would be entered after the Ninth Circuit has issued a
4 decision in *USA Sales* that has become final and unappealable or further review has
5 either been denied or concluded; provided, however, that either Party may file a motion
6 at any time asking the Court to terminate the abatement for good cause shown and to
7 set a new briefing schedule.

8 2. Within 14 days after a decision by the Ninth Circuit in *USA Sales* becomes
9 final and unappealable or further review has either been denied or concluded, the Parties
10 shall jointly submit a status report to the Court, notifying the Court and stating whether
11 they believe further proceedings will be necessary in this appeal.

12 3. Based upon approval of this Stipulation, the United States Trustee will not
13 oppose a motion by Point.360 for an order closing its bankruptcy case if all criteria for
14 case closure are satisfied, notwithstanding the pendency of this appeal.

15 4. Alternatively, the deadline for Appellee, the United States Trustee, to file
16 his brief is extended for 60 days to and including September 27, 2021.
