26 applicable statute or regulations.

27 10. Modification of the Land Use Restrictions

28 a. If EPA determines that modifications or additions to the

1 land/water use restrictions are necessary to carry out and maintain the effectiveness  
2 of any removal or remedial action, EPA may require that such modifications or  
3 additions be incorporated in the land/water use restrictions, provided, however, that  
4 a modification or addition may only be required pursuant to this Paragraph to the  
5 extent that it is consistent with the scope of the removal or remedial action selected  
6 by EPA.

7           b. If Settling Defendants object to any modification or addition  
8 determined by EPA to be necessary pursuant to this Paragraph, they may seek  
9 dispute resolution pursuant to Section XI (Dispute Resolution), Paragraph 23  
10 (Record Review). The land/water use restrictions shall be modified in accordance  
11 with final resolution of the dispute.

12           c. Settling Defendants shall implement any land/water use  
13 restrictions required by any modifications or additions incorporated in the  
14 land/water use restrictions in accordance with this Paragraph.

15           d. Nothing in this Paragraph shall be construed to limit EPA's  
16 authority to require performance of further response actions as otherwise provided  
17 in this Consent Decree.

18  
19 **VIII. NOTICE TO SUCCESSORS-IN-TITLE AND TRANSFERS OF REAL**  
20 **PROPERTY**

21           11. Settling Defendant shall, at least sixty (60) days prior to any Transfer  
22 of any real property located at the Site, give written notice: (1) to the transferee  
23 regarding the Consent Decree and any Institutional Controls regarding the real  
24 property; and (2) to EPA and the State regarding the proposed Transfer, including  
25 the name and address of the transferee and the date on which the transferee was  
26 notified of the Consent Decree and any Institutional Controls.

27           12. Settling Defendants may Transfer any real property located at the Site  
28 only if: (1) any Proprietary Controls required by Paragraph 7.c have been recorded

1 with respect to the real property; or (2) Settling Defendants have obtained an  
2 agreement from the transferee, enforceable by Settling Defendants and the United  
3 States, to (i) allow access and restrict land/water use, consistent with Paragraphs  
4 7.a and 7.b, (ii) record any Proprietary Controls on the real property, consistent  
5 with Paragraph 7.c, and (iii) subordinate its rights to any such Proprietary Controls,  
6 consistent with Paragraph 7.c, and EPA has approved the agreement in writing. If,  
7 after a Transfer of the real property, the transferee fails to comply with the  
8 agreement provided for in this Paragraph 12, Settling Defendants shall take all  
9 reasonable steps to obtain the transferee's compliance with such agreement. The  
10 United States may seek the transferee's compliance with the agreement and/or  
11 assist Settling Defendants in obtaining compliance with the agreement. Settling  
12 Defendants shall reimburse the United States for all costs incurred, direct or  
13 indirect, by the United States regarding obtaining compliance with such agreement,  
14 including, but not limited to, the cost of attorney time.

15  
16 13. In the event of any Transfer of real property located at the Site, unless  
17 the United States otherwise consents in writing, Settling Defendants shall continue  
18 to comply with their obligations under the Consent Decree, including, but not  
19 limited to, their obligation to provide and/or secure access, to implement, maintain,  
20 monitor, and report on Institutional Controls, and to abide by such Institutional  
21 Controls.

## 22 IX. ACCESS TO INFORMATION

23  
24 14. Settling Defendants shall provide to EPA and the State, upon request,  
25 copies of all records, reports, documents, and other information (including records,  
26 reports, documents, and other information in electronic form) (hereinafter referred  
27 to as "Records") within their possession or control or that of their contractors or  
28 agents relating to activities at the Site or to the implementation of this Consent

1 Decree, including, but not limited to, sampling, analysis, chain of custody records,  
2 manifests, trucking logs, receipts, reports, sample traffic routing, correspondence,  
3 or other documents or information regarding the KTI Property or the Site. Settling  
4 Defendants shall also make available to EPA and the State, for purposes of  
5 investigation, information gathering, or testimony, their employees, agents, or  
6 representatives with knowledge of relevant facts concerning the Site.

7  
8 15. Business Confidential and Privileged Documents

9 a. Settling Defendants may assert business confidentiality claims  
10 covering part or all of the Records submitted to Plaintiffs under this Consent  
11 Decree to the extent permitted by and in accordance with Section 104(e)(7) of  
12 CERCLA, 42 U.S.C. § 9604(e)(7), and 40 C.F.R. § 2.203(b). Records determined  
13 to be confidential by EPA will be afforded the protection specified in 40 C.F.R.  
14 Part 2, Subpart B. If no claim of confidentiality accompanies Records when they  
15 are submitted to EPA and the State, or if EPA has notified Settling Defendants that  
16 the Records are not confidential under the standards of Section 104(e)(7) of  
17 CERCLA or 40 C.F.R. Part 2, Subpart B, the public may be given access to such  
18 Records without further notice to Settling Defendants.

19 b. Settling Defendants may assert that certain Records are  
20 privileged under the attorney-client privilege or any other privilege recognized by  
21 federal law. If Settling Defendants assert such a privilege in lieu of providing  
22 Records, they shall provide Plaintiffs with the following: (1) the title of the  
23 Record; (2) the date of the Record; (3) the name, title, affiliation (*e.g.*, company or  
24 firm), and address of the author of the Record; (4) the name and title of each  
25 addressee and recipient; (5) a description of the contents of the Record; and (6) the  
26 privilege asserted by Settling Defendants. If a claim of privilege applies only to a  
27 portion of a Record, the Record shall be provided to the United States in redacted  
28 form to mask the privileged portion only. Settling Defendants shall retain all

1 Records that they claim to be privileged until the United States has had a  
2 reasonable opportunity to dispute the privilege claim and any such dispute has  
3 been resolved in the Settling Defendants' favor.

4 c. No Records created or generated pursuant to the requirements  
5 of this Consent Decree shall be withheld from the United States or the State on the  
6 grounds that they are privileged or confidential.

7 16. No claim of confidentiality or privilege shall be made with  
8 respect to any data, including, but not limited to, all sampling, analytical,  
9 monitoring, hydrogeologic, scientific, chemical, or engineering data, or any other  
10 documents or information evidencing conditions at or around the Site.

#### 11 **X. RETENTION OF RECORDS**

12 17. By signing this Consent Decree Settling Defendants hereby severally  
13 certify that they have as of February 29, 2012, produced in the Consolidated  
14 Federal Action all non-identical and non-privileged copies of records, reports, or  
15 information in their possession or control (if any) that relate in any manner to  
16 response actions taken at the B.F. Goodrich Superfund Site or the liability of any  
17 person under CERCLA with respect to the B.F. Goodrich Superfund Site. Except  
18 for those documents that have been produced in the Consolidated Federal Action  
19 as described in the preceding sentence, each Settling Defendant shall preserve and  
20 retain all non-identical copies of records, reports, or information (hereinafter  
21 referred to as "Records") now in its possession or control, or that come into its  
22 possession or control, that relate in any manner to response actions taken at the  
23 B.F. Goodrich Superfund Site or the RABSP Site, or its or any other person's  
24 liability under CERCLA with respect to the B.F. Goodrich Superfund Site or  
25 RABSP Site, until ten (10) years after EPA's Certification of Completion of the  
26 Final Remedial Action. Each Settling Defendant must also retain, and instruct its  
27  
28

1 contractors and agents to preserve, for the same period of time specified above, all  
2 non-identical copies of the last draft or final version of any Records (including  
3 Records in electronic form) now in its possession or control or that come into its  
4 possession or control that relate in any manner to the implementation of  
5 Institutional Controls, provided, however, that each Settling Defendant (and its  
6 contractors and agents) must retain, in addition, copies of all data generated during  
7 the implementation of Institutional Controls, if any, that are not contained in the  
8 aforementioned Records required to be retained. Each of the above record  
9 retention requirements shall apply regardless of any corporate retention policy to  
10 the contrary.

11  
12 18. After the conclusion of the document retention period in the preceding  
13 Paragraph, each Settling Defendant shall notify EPA and DOJ at least ninety (90)  
14 days prior to the destruction of any such Records, and, upon request by EPA or  
15 DOJ, each Settling Defendant shall deliver any such Records to EPA. Each  
16 Settling Defendant may assert that certain Records are privileged under the  
17 attorney-client privilege or any other privilege recognized by federal law. If a  
18 Settling Defendant asserts such a privilege in lieu of providing Records, it shall  
19 provide Plaintiffs with the following: (a) the title of the Record; (b) the date of the  
20 Record; (c) the name, title, affiliation (*e.g.*, company or firm), and address of the  
21 author of the Record; (d) the name and title of each addressee and recipient; (e) a  
22 description of the subject of the Record; and (f) the privilege asserted. If a claim of  
23 privilege applies only to a portion of a Record, the Record shall be provided to the  
24 United States in redacted form to mask the privileged portion only. Such Settling  
25 Defendant shall retain all Records that it claims to be privileged until the United  
26 States has had a reasonable opportunity to dispute the privilege claim and any such  
27 dispute has been resolved in such Settling Defendant's favor. However, no  
28 Records created or generated pursuant to the requirements of this Consent Decree

1 or any other settlement with EPA pertaining to the RABSP Site shall be withheld  
2 from the United States on the grounds that they are privileged or confidential.

3 19. Each Settling Defendant certifies individually that, to the best of its  
4 knowledge and belief, after thorough inquiry, it has not altered, mutilated,  
5 discarded, destroyed, or otherwise disposed of any Records (other than identical  
6 copies) relating to its potential liability regarding the Site since the earlier of  
7 notification of potential liability by the United States or the State or the filing of  
8 suit against it regarding the Site and that it has fully complied with any and all  
9 EPA and State requests for information regarding the Site pursuant to Sections  
10 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section  
11 3007 of RCRA, 42 U.S.C. § 6927, and state law.  
12

### 13 **XI. DISPUTE RESOLUTION**

14 20. Unless otherwise expressly provided for in this Consent Decree, the  
15 dispute resolution procedures of this Section shall be the exclusive mechanism to  
16 resolve disputes regarding this Consent Decree. However, the procedures set forth  
17 in this Section shall not apply to actions by the United States to enforce obligations  
18 of Settling Defendants that have not been disputed in accordance with this Section.

19 21. Any dispute regarding this Consent Decree shall in the first instance  
20 be the subject of informal negotiations between the parties to the dispute. The  
21 period for informal negotiations shall not exceed twenty (20) days from the time  
22 the dispute arises, unless it is modified by written agreement of the parties to the  
23 dispute. The dispute shall be considered to have arisen when one party sends the  
24 other parties a written Notice of Dispute.

#### 25 22. Statements of Position

26 a. In the event that the parties cannot resolve a dispute by informal  
27 negotiations under the preceding Paragraph, then the position advanced by EPA  
28 shall be considered binding unless, within thirty (30) days after the conclusion of

1 the informal negotiation period, Settling Defendants invoke the formal dispute  
2 resolution procedures of this Section by serving on the United States a written  
3 Statement of Position on the matter in dispute, including, but not limited to, any  
4 factual data, analysis, or opinion supporting that position and any supporting  
5 documentation relied upon by Settling Defendants. The Statement of Position  
6 shall specify Settling Defendants' position as to whether formal dispute resolution  
7 should proceed under Paragraph 23 (Record Review) or 24.

8           b.     Within thirty (30) days after receipt of Settling Defendants'  
9 Statement of Position, EPA will serve on Settling Defendants its Statement of  
10 Position, including, but not limited to, any factual data, analysis, or opinion  
11 supporting that position and all supporting documentation relied upon by EPA.  
12 EPA's Statement of Position shall include a statement as to whether formal dispute  
13 resolution should proceed under Paragraph 23 (Record Review) or Paragraph 24.  
14 Within thirty (30) days after receipt of EPA's Statement of Position, Settling  
15 Defendants may submit a Reply.

16           c.     If there is disagreement between EPA and Settling Defendants  
17 as to whether dispute resolution should proceed under Paragraph 23 (Record  
18 Review) or 24, the parties to the dispute shall follow the procedures set forth in the  
19 paragraph determined by EPA to be applicable. However, if Settling Defendants  
20 ultimately appeal to the Court to resolve the dispute, the Court shall determine  
21 which paragraph is applicable in accordance with the standards of applicability set  
22 forth in Paragraphs 23 and 24.

23           23.    Record Review. Formal dispute resolution for disputes pertaining to  
24 the selection or adequacy of any response action and all other disputes that are  
25 accorded review on the administrative record under applicable principles of  
26 administrative law shall be conducted pursuant to the procedures set forth in this  
27 Paragraph. For purposes of this Paragraph, the adequacy of any response action  
28 includes, without limitation, the adequacy or appropriateness of plans, procedures

1 to implement plans, or any other items requiring approval by EPA under this  
2 Consent Decree, and the adequacy of the performance of response actions taken  
3 pursuant to this Consent Decree. Nothing in this Consent Decree shall be  
4 construed to allow any dispute by Settling Defendants regarding the validity of the  
5 ROD's provisions.

6 a. An administrative record of the dispute shall be maintained by  
7 EPA and shall contain all statements of position, including supporting  
8 documentation, submitted pursuant to this Section. Where appropriate, EPA may  
9 allow submission of supplemental statements of position by the parties to the  
10 dispute.

11 b. The Director of the Superfund Division, EPA Region IX, will  
12 issue a final administrative decision resolving the dispute based on the  
13 administrative record described in Paragraph 23.a. This decision shall be binding  
14 upon Settling Defendants, subject only to the right to seek judicial review pursuant  
15 to Paragraphs 23.c and 23.d.

16 c. Any administrative decision made by EPA pursuant to  
17 Paragraph 23.b shall be reviewable by this Court, provided that a motion for  
18 judicial review of the decision is filed by Settling Defendants with the Court and  
19 served on all Parties within ten (10) days after receipt of EPA's decision. The  
20 motion shall include a description of the matter in dispute, the efforts made by the  
21 parties to resolve it, the relief requested, and the schedule, if any, within which the  
22 dispute must be resolved to ensure orderly implementation of this Consent Decree.  
23 The United States may file a response to Settling Defendants' motion.

24 d. In proceedings on any dispute governed by this Paragraph,  
25 Settling Defendants shall have the burden of demonstrating that the decision of the  
26 Superfund Division Director is arbitrary and capricious or otherwise not in  
27 accordance with law. Judicial review of EPA's decision shall be on the  
28 administrative record compiled pursuant to Paragraph 23.a.

1           24. Formal dispute resolution for disputes that neither pertain to the  
2 selection or adequacy of any response action nor are otherwise accorded review on  
3 the administrative record under applicable principles of administrative law, shall be  
4 governed by this Paragraph.

5           a. Following receipt of Settling Defendants' Statement of Position  
6 submitted pursuant to Paragraph 22, the Director of the Superfund Division, EPA  
7 Region IX, will issue a final decision resolving the dispute. The Superfund  
8 Division Director's decision shall be binding on Settling Defendants unless, within  
9 ten (10) days after receipt of the decision, Settling Defendants file with the Court  
10 and serve on the parties a motion for judicial review of the decision setting forth  
11 the matter in dispute, the efforts made by the parties to resolve it, the relief  
12 requested, and the schedule, if any, within which the dispute must be resolved to  
13 ensure orderly implementation of the Consent Decree. The United States may file  
14 a response to Settling Defendants' motion.

15           b. Notwithstanding Paragraph C (CERCLA Section 113(j) Record  
16 Review of Response Actions) of Section I (Background), judicial review of any  
17 dispute governed by this Paragraph shall be governed by applicable principles of  
18 law.

19           25. The invocation of formal dispute resolution procedures under this  
20 Section shall not extend, postpone, or affect in any way any obligation of Settling  
21 Defendants under this Consent Decree, not directly in dispute, unless EPA or the  
22 Court agrees otherwise. Stipulated penalties with respect to the disputed matter  
23 shall continue to accrue but payment shall be stayed pending resolution of the  
24 dispute as provided in Paragraph 27. Notwithstanding the stay of payment,  
25 stipulated penalties shall accrue from the first day of noncompliance with any  
26 applicable provision of this Consent Decree. In the event that Settling Defendants  
27 do not prevail on the disputed issue, stipulated penalties shall be assessed and paid  
28 as provided in Paragraph 27 (Stipulated Penalties).

1 **XII. FAILURE TO COMPLY WITH CONSENT DECREE OBLIGATIONS**

2       26. Interest on Payments and Accelerated Payments. If Settling  
3 Defendants fail to make any payment required by Section VI (Settlement of  
4 Response Costs) by the required due date, Interest shall accrue on the unpaid  
5 balance owed by Settling Defendants from the date payment is due through the  
6 date of payment, and all remaining installment payments and all accrued Interest  
7 shall become due immediately upon such failure. Interest and stipulated penalties  
8 shall continue to accrue on any unpaid amounts until the total amount due has been  
9 received. However, if Settling Defendants cure a delinquency by making a late  
10 payment to EPA within thirty (30) days of the required due date, including all of  
11 the then-accrued Interest and stipulated penalties as provided for in Paragraph 27,  
12 below, then further stipulated penalties shall cease to run as of the date the late  
13 payment is received, and Settling Defendants may make future payments to EPA  
14 pursuant to the schedule provided in Section VI (Settlement of Response Costs),  
15 above.

16  
17       27. Stipulated Penalties

18           a. If any amounts due the United States are not paid by their  
19 respective required date(s), Settling Defendants shall be in violation of this  
20 Consent Decree and shall pay, as a stipulated penalty, in addition to the Interest  
21 required by Paragraph 26, five thousand dollars (\$5,000) per violation per day to  
22 the United States for each day such payment is late.

23           b. If Settling Defendants do not comply with the access and/or  
24 Institutional Controls provisions of Section VII, Settling Defendants shall be in  
25 violation of this Consent Decree and shall pay to the United States, as a stipulated  
26 penalty, five thousand dollars (\$5,000) per violation per day of such  
27 noncompliance.  
28

1           c.       Stipulated penalties are due and payable within thirty (30) days  
2 after the date of the demand for payment of the penalty or penalties. All payments  
3 of stipulated penalties owed to the United States under this Paragraph shall be  
4 identified as “stipulated penalties” and shall be made in accordance with  
5 instructions provided to such Settling Defendant(s) by the United States. Such  
6 payment shall reference Site/Spill ID Number 09JW, and DOJ Case Number 90-  
7 11-2-09952. At the time of payment of a stipulated penalty for nonpayment to the  
8 United States as described in Paragraph 27.a, the non-paying or late-paying  
9 Settling Defendant(s) shall send notice to DOJ and EPA that payment has been  
10 made in accordance with Section XVI (Notices and Submissions). Such notice  
11 shall reference Site/Spill ID Number 09JW, and DOJ Case Number 90-11-2-  
12 09952.

13  
14           d.       Penalties shall accrue as provided in this Paragraph regardless  
15 of whether the United States has notified Settling Defendant(s) of the violation or  
16 made a demand for payment, but need only be paid upon demand. All penalties  
17 shall begin to accrue on the day after payment is due and shall continue to accrue  
18 through the date of payment. Nothing in this Consent Decree shall prevent the  
19 simultaneous accrual of separate penalties for separate violations of this Consent  
20 Decree.

21           28.     Payments made under this Section shall be in addition to any other  
22 remedies or sanctions available to the United States by virtue of Settling  
23 Defendants’ failure to comply with the requirements of this Consent Decree.

24           29.     Notwithstanding any other provision of this Section, the United States  
25 may, in its unreviewable discretion, waive payment of any portion of the stipulated  
26 penalties due to the United States pursuant to this Consent Decree. Payment of  
27 stipulated penalties shall not excuse Settling Defendants from payment as required  
28 by Section VI (Settlement of Response Costs) or from performance of any other

1 requirements of this Consent Decree.

2 **XIII. COVENANTS AND RESERVATIONS OF RIGHTS BY PLAINTIFFS**

3 30. Covenants by the United States on Behalf of EPA. Except as  
4 specifically provided in Paragraphs 31-34, the United States on behalf of EPA  
5 covenants not to sue or to take administrative action against Settling Defendants  
6 pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. §§ 9606 and 9607(a)  
7 and Section 7003 of RCRA, 42 U.S.C. § 6973, relating to the B.F. Goodrich  
8 Superfund Site. With respect to present and future response costs, these covenants  
9 shall take effect upon receipt by Plaintiffs of all amounts required by Paragraph 5  
10 and any Interest or stipulated penalties due thereon under Section XII (Failure to  
11 Comply with Consent Decree Obligations). These covenants are conditioned upon  
12 the satisfactory performance by Settling Defendants of their obligations under this  
13 Consent Decree, including but not limited to, payment of all amounts due under  
14 Section VI (Settlement of Response Costs), and any Interest or stipulated penalties  
15 due thereon under Section XII (Failure to Comply with Consent Decree  
16 Obligations). These covenants extend only to Settling Defendants and do not  
17 extend to any other person.  
18

19 31. United States' Pre-certification Reservations. Notwithstanding any  
20 other provision of this Consent Decree, the United States reserves, and this  
21 Consent Decree is without prejudice to, the right to institute proceedings in this  
22 action or in a new action, or to issue an administrative order, seeking to compel  
23 Settling Defendant(s):

24 1) to perform further response actions relating to the B.F.  
25 Goodrich Superfund Site; or

26 2) to reimburse the United States for additional costs of  
27 response if, prior to Certification of Completion of the Final Remedial Action for  
28

1 the B.F. Goodrich Superfund Site:

2 i. conditions at the B.F. Goodrich Superfund Site,  
3 previously unknown to EPA, are discovered, or

4 ii. information, previously unknown to EPA, is  
5 received, in whole or in part,

6 and EPA determines that these previously unknown conditions or information  
7 together with any other relevant information indicates that the B.F. Goodrich  
8 Superfund Site Final Remedial Action is not protective of human health or the  
9 environment.

10 32. United States' Post-certification Reservations. Notwithstanding any  
11 other provision of this Consent Decree, the United States reserves, and this  
12 Consent Decree is without prejudice to, the right to institute proceedings in this  
13 action or in a new action, or to issue an administrative order, seeking to compel  
14 Settling Defendant(s):

15 1) to perform further response actions relating to the B.F.  
16 Goodrich Superfund Site; or

17 2) to reimburse the United States for additional costs of  
18 response if, subsequent to Certification of Completion of the Final Remedial  
19 Action for the B.F. Goodrich Superfund Site:

20 i. conditions at the B.F. Goodrich Superfund Site,  
21 previously unknown to EPA, are discovered, or

22 ii. information, previously unknown to EPA, is  
23 received, in whole or in part,

24 and EPA determines that these previously unknown conditions or information  
25 together with any other relevant information indicates that the B.F. Goodrich  
26 Superfund Site Final Remedial Action is not protective of human health or the  
27 environment.  
28

1           33. For purposes of Paragraph 31, the information and the conditions  
2 known to EPA shall include only that information and those conditions known to  
3 EPA as of the date the Final Record of Decision is signed and set forth in the Final  
4 Record of Decision and the administrative record supporting the Final Record of  
5 Decision. For purposes of Paragraph 32, the information and the conditions known  
6 to EPA shall include only that information and those conditions known to EPA as  
7 of the date of Certification of Completion of the Final Remedial Action and set  
8 forth in the Final Record of Decision, the administrative record supporting the  
9 Final Record of Decision, the post-Final Record of Decision administrative record,  
10 or in any information required to be submitted to EPA during the conduct of the  
11 remedial design and remedial action, prior to the Certification of Completion of the  
12 Final Remedial Action.

13           34. General Reservations of Rights. The United States on behalf of EPA  
14 and the federal natural resource trustee reserves, and this Consent Decree is  
15 without prejudice to, all rights against Settling Defendants with respect to all  
16 matters not expressly included within the Covenants by the United States in  
17 Paragraph 30. Notwithstanding any other provision of this Consent Decree, the  
18 United States on behalf of EPA and the federal natural resource trustee reserves all  
19 rights against Settling Defendants with respect to:

- 20           a. claims based on a failure by Settling Defendants to meet their  
21 requirements under this Consent Decree;
- 22           b. liability arising from the past, present, or future disposal,  
23 release, or threat of release of Waste Material outside of the B.F. Goodrich  
24 Superfund Site;
- 25           c. liability based on the ownership or operation of any portion of  
26 the B.F. Goodrich Superfund Site by Settling Defendants when such ownership or  
27 operation commences after signature of this Consent Decree and does not arise  
28

1 solely out of performance of the Work;

2 d. liability based on Settling Defendants' transportation,  
3 treatment, storage, or disposal, or the arrangement for the transportation, treatment,  
4 storage, or disposal of Waste Material at or in connection with the B.F. Goodrich  
5 Superfund Site, other than as provided in the 2010 ROD, the Work, or otherwise  
6 ordered by EPA, after signature of this Consent Decree;

7 e. liability for damages for injury to, destruction of, or loss of  
8 natural resources, and for the costs of any natural resource damage assessments;

9 f. criminal liability;

10 g. liability for violations of federal or state law which occur  
11 during or after implementation of the Work.  
12

13 **XIV. COVENANTS AND RESERVATIONS OF RIGHTS BY SETTLING**  
14 **DEFENDANTS AND SETTLING FEDERAL AGENCIES**

15 35. Except as provided in Paragraph 36, Settling Defendants covenant not  
16 to sue and agree not to assert any claims or causes of action against the United  
17 States on behalf of EPA, or its contractors or employees, with respect to the B.F.  
18 Goodrich Superfund Site and this Consent Decree, including, but not limited to:

19 a. any direct or indirect claim for reimbursement from the  
20 Hazardous Substance Superfund (established pursuant to the Internal Revenue  
21 Code, 26 U.S.C. § 9507) through CERCLA Sections 106(b)(2), 107, 111, 112, 113,  
22 or any other provision of law;

23 b. any claims against the United States, including any department,  
24 agency, or instrumentality of the United States under CERCLA Sections 107 or  
25 113, RCRA Section 7002(a), 42 U.S.C. § 6972(a), or state law regarding, the B.F.  
26 Goodrich Superfund Site, response actions at the Site, response costs incurred at  
27 the Site, and this Consent Decree;  
28

1  
2 c. any claims arising out of response actions at or in connection  
3 with the B.F. Goodrich Superfund Site relating to the United States, including any  
4 claim under the United States Constitution, the California Constitution, the Tucker  
5 Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as  
6 amended, or at common law;

7 d. any claim, whether express or deemed by court order, in the  
8 Consolidated Federal Action; and

9 e. any direct or indirect claim for disbursement from the B.F.  
10 Goodrich Superfund Site Special Account.

11 36. These covenants and releases shall not apply to the United States in  
12 the event the United States brings a cause of action or issues an order pursuant to  
13 any of the reservations set forth in Paragraphs 31-34, other than in Paragraph 34.a  
14 (liability for failure to meet a requirement of the Consent Decree) or 34.f (criminal  
15 liability), but only to the extent that Settling Defendants' claims arise from the  
16 same response action, response costs, or damages that the United States is seeking  
17 pursuant to the applicable reservation.  
18

19 37. Nothing in this Consent Decree shall be deemed to constitute approval  
20 or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42  
21 U.S.C. § 9611, or 40 C.F.R. §300.700(d).

22 38. Except as provided in Paragraph 40, each of the Settling Defendants  
23 releases and covenants not to sue or take administrative action against any of the  
24 Settling Federal Agencies, and each of the Settling Federal Agencies releases and  
25 covenants not to sue or take administrative action against any of the Settling  
26 Defendants, pursuant to Sections 107(a) or 113 of CERCLA, 42 U.S.C. §§ 9607(a)  
27 and 9613, Section 7002 of RCRA, 42 U.S.C. § 6972, or any other state or federal  
28 statute or state or federal common law with respect to all claims of any kind,

1 known and unknown, in connection with the alleged release or threatened release  
2 of any of the Basin Contaminants at, on, or under the RABSP Site. With respect to  
3 present and future liability, these covenants and releases shall take effect upon  
4 receipt by Plaintiffs of all payment amounts required by Paragraph 5 and any  
5 Interest or stipulated penalties due thereon under Section XII (Failure to Comply  
6 with Consent Decree Obligations).

7         39. In releasing all unknown claims, each of the Settling Defendants and  
8 the Settling Federal Agencies waives the provisions of Section 1542 of the  
9 California Civil Code which provides:  
10

11             A general release does not extend to claims which the creditor does  
12 not know or suspect to exist in his or her favor at the time of  
13 executing the release, which if known by him or her must have  
materially affected his or her settlement with the debtor.

14         40. Each of the Settling Defendants and Settling Federal Agencies  
15 reserves, and this Consent Decree is without prejudice to, all rights against the  
16 Settling Defendants and Settling Federal Agencies with respect to:

- 17             a. liability of the breaching Party for its failure to meet a  
18 requirement of this Consent Decree;
- 19             b. liability based on the ownership or operation of any portion of  
20 the RABSP Site when such ownership or operation commences after lodging of  
21 this Consent Decree and there is a new release of a Waste Material on or related to  
22 such property;
- 23             c. liability based on transportation, treatment, storage, or disposal,  
24 or arrangement for transportation, treatment, storage, or disposal of a Waste  
25 Material at or in connection with the RABSP Site, after lodging of this Consent  
26 Decree;  
27  
28

1 d. liability arising from the past, present, or future disposal,  
2 release, or threat of release of a Waste Material outside of the RABSP Site;

3 e. liability arising from the release, threat of release, or disposal of  
4 a Waste Material either within or outside of the RABSP Site, where such release,  
5 threat of release, or disposal occurs after the lodging of this Consent Decree;

6 f. liability arising from past, present, or future releases or  
7 threatened releases at the RABSP Site, where the Waste Material at issue is not a  
8 Basin Contaminant;

9 g. liability related to bodily injury; and

10 h. claims for contribution whether based on federal or state  
11 statutes or common law arising out of: (1) claims in *City of Riverside v. Black &*  
12 *Decker (U.S.), Inc., et al.*, Case No. BC410878; (2) claims asserted by any person  
13 or entity that was not a party to the Consolidated Federal Action on August 24,  
14 2012; or, (3) claims for natural resource damages.

15  
16 For purposes of subparagraphs b., c., and e. of this Paragraph, migration of existing  
17 Waste Material is not a new release or disposal of Waste Material into soil,  
18 groundwater, or atmosphere.

19 41. Further Settlers. Settling Defendants agree that in the event that: (a)  
20 the United States, on behalf of EPA, reaches or has reached settlement with any  
21 other party to the Consolidated Federal Action who is not a signatory to this  
22 Consent Decree (“Further Settlor”); and (b) the United States, on behalf of EPA,  
23 gives notice in accordance with Section XVI (Notices and Submissions) to Settling  
24 Defendants that such party has become a Further Settlor; then upon Court approval  
25 of that Further Settlor’s settlement, Settling Defendants commit that they shall  
26 extend to any such Further Settlor identical releases and covenants not to sue and  
27 waiver to those set forth in Paragraphs 38 and 39, without further monetary  
28

1 consideration for such covenants and waiver, subject to the reservations of rights in  
2 Paragraph 40, and in exchange for mutual releases of claims and appeals by that  
3 Further Settlor against Settling Defendants substantially similar to the releases and  
4 covenants not to sue and waiver set forth in Paragraphs 38 and 39. The  
5 commitments of Settling Defendants to provide such covenants not to sue, subject  
6 to the reservation of rights, in the foregoing sentence shall not take effect as to any  
7 Future Settlor unless and until the settlement with such Future Settlor becomes a  
8 final judgment following any appeal. The United States, on behalf of EPA, has  
9 sole discretion to determine whether a party is to be deemed a “Further Settlor” for  
10 purposes of this Paragraph.  
11

12 42. Claims Against Other Parties in the Consolidated Federal Action.  
13 Settling Defendants agree not to assert any claims and to waive all claims or causes  
14 of action (including but not limited to claims or causes of action under Sections  
15 107(a) and 113 of CERCLA) or any other federal or state law that they may have  
16 for response costs relating to the B.F. Goodrich Superfund Site and/or the West  
17 Side Site against each other or any other person who is or was a party in the  
18 Consolidated Federal Action. This waiver shall not apply with respect to any  
19 defense, claim, or cause of action that a Settling Defendant may have against any  
20 person if such person asserts a claim or cause of action relating to the B.F.  
21 Goodrich Superfund Site and/or the West Side Site against such Settling  
22 Defendant.

23 43. Settling Defendants’ Agreement Regarding Recovery Under Federal  
24 Contracts. Each Settling Defendant hereby agrees that it shall not in the future  
25 seek or receive any portion of any amount it has agreed to pay in this Consent  
26 Decree, through any Federal Contract. Pursuant to this Paragraph, each Settling  
27 Defendant expressly acknowledges that it is prohibited from including any portion  
28 of the payments made pursuant to this Consent Decree as either direct or indirect

1 costs, or otherwise, in any invoice, claim, or demand associated with any Federal  
2 Contract.

3 **XV. EFFECT OF SETTLEMENT/CONTRIBUTION**

4 44. Except as provided in Paragraph 42, nothing in this Consent Decree  
5 shall be construed to create any rights in, or grant any cause of action to, any  
6 person not a Party to this Consent Decree. Except as provided in Section XIV  
7 (Covenants and Reservations of Rights by Settling Defendants and Settling Federal  
8 Agencies), each of the Parties expressly reserves any and all rights (including, but  
9 not limited to, under Section 113 of CERCLA, 42 U.S.C. § 9613), defenses,  
10 claims, demands, and causes of action which it may have with respect to any  
11 matter, transaction, or occurrence relating in any way to the RABSP Site against  
12 any person not a Party hereto. Nothing in this Consent Decree diminishes the right  
13 of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C.  
14 § 9613(f)(2)-(3), to pursue any such persons to obtain additional response costs or  
15 response action and to enter into settlements that give rise to contribution  
16 protection pursuant to Section 113(f)(2).  
17

18 45. The Parties agree, and by entering this Consent Decree this Court  
19 finds, that this settlement constitutes a judicially approved settlement for purposes  
20 of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and that Settling  
21 Defendants are entitled, as of the Effective Date, to protection from contribution  
22 actions or claims as provided by Section 113(f)(2) of CERCLA, or as may be  
23 otherwise provided by law, for “matters addressed” in this Consent Decree. The  
24 “matters addressed” in this Consent Decree are all response actions taken or to be  
25 taken and all response costs incurred or to be incurred at or in connection with the  
26 B.F. Goodrich Superfund Site or the West Side Site by the United States or any  
27 other person; provided, however, that if the United States on behalf of EPA  
28

1 exercises any of the reservations in Section XIII (Covenants and Reservations of  
2 Rights by Plaintiffs), other than in Paragraphs 34.a (liability for failure to meet a  
3 requirement of Consent Decree) or 34.f (criminal liability), the “matters addressed”  
4 in this Consent Decree will no longer include those response costs or response  
5 actions that are within the scope of the exercised reservation. Nothing in this  
6 Paragraph shall limit or affect the ability of any Settling Defendant and/or Settling  
7 Federal Agency to exercise their reservations of rights as to each other in  
8 Paragraph 40.

9  
10 46. The Parties further agree, and by entering this Consent Decree this  
11 Court further finds, that the payments and obligations provided for in this Consent  
12 Decree represent a good faith compromise of disputed claims and that the  
13 compromise represents a fair, reasonable, and equitable resolution. With regard to  
14 any claims for costs, damages, or other claims against the Parties, the Parties agree  
15 and this Court finds that Settling Defendants are entitled to contribution protection  
16 pursuant to the California Code of Civil Procedure §§ 877 and 877.6, and any other  
17 applicable provision of federal or state law, whether by statute or common law.

18 47. The Parties intend the broadest possible protection from contribution  
19 actions provided by law for “matters addressed” in this Consent Decree.

20 48. Each Settling Defendant shall, with respect to any suit or claim  
21 brought by it for matters related to this Consent Decree after the date the Consent  
22 Decree is lodged with the Court, notify EPA and DOJ in writing no later than sixty  
23 (60) days prior to the initiation of such suit or claim. Each Settling Defendant also  
24 shall, with respect to any suit or claim brought against it for matters related to this  
25 Consent Decree, notify EPA and DOJ in writing within ten (10) days after service  
26 of the complaint or claim upon it. In addition, each Settling Defendant shall notify  
27 EPA and DOJ within ten (10) days after service or receipt of any motion for  
28

1 summary judgment, and within ten (10) days after receipt of any order from a court  
2 setting a case for trial, for matters related to this Consent Decree.

3 49. In any subsequent administrative or judicial proceeding initiated by  
4 the United States for injunctive relief, recovery of response costs, or other relief  
5 relating to the B.F. Goodrich Superfund Site, Settling Defendants shall not assert,  
6 and may not maintain, any defense or claim based upon the principles of waiver,  
7 res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses  
8 based upon any contention that the claims raised by the United States in the  
9 subsequent proceeding were or should have been brought in the instant case;  
10 provided, however, that nothing in this Paragraph affects the enforceability of the  
11 covenants not to sue set forth in Sections XIII and XIV (Covenants and  
12 Reservations of Rights).

13  
14 **XVI. NOTICES AND SUBMISSIONS**

15 50. Whenever, under the terms of this Consent Decree, notice is required  
16 to be given or a document is required to be sent by one party to another, it shall be  
17 directed to the individuals at the addresses specified below, unless those  
18 individuals or their successors give notice of a change to the other Parties in  
19 writing. Written notice as specified in this Section shall constitute complete  
20 satisfaction of any written notice requirement of the Consent Decree with respect  
21 to the United States, EPA, and each Settling Defendant, respectively.

**XVII. RETENTION OF JURISDICTION**

51. This Court shall retain jurisdiction over this matter for the purpose of interpreting and enforcing the terms of this Consent Decree.

**XVIII. INTEGRATION/APPENDICES**

52. This Consent Decree and its appendices constitute the final, complete and exclusive agreement and understanding between the Parties with respect to the settlement embodied in this Consent Decree. The Parties acknowledge that there are no representations, agreements, or understandings relating to the settlement other than those expressly contained in this Consent Decree. The following

1 appendices are attached to and incorporated into this Consent Decree:

2 “Appendix A” is the map of the RABSP, including the 160-Acre Area, the  
3 Stonehurst Property, and the County Property.

4 “Appendix B” includes the legal descriptions and assessor’s map of the  
5 parcels comprising the KTI Property.

6 “Appendix C” is a map depicting the portions of the KTI Property for which  
7 EPA will require thirty (30) Days’ notice from Settling Defendants if Settling  
8 Defendants intend to disturb the subsurface soils or sediments six (6) or more  
9 inches below ground surface.

10 **XXIV. LODGING AND OPPORTUNITY FOR PUBLIC COMMENT**

11  
12 53. This Consent Decree shall be lodged with the Court for a period of not  
13 less than thirty (30) days for public notice and comment. The United States  
14 reserves the right to withdraw or withhold its consent if the comments regarding  
15 the Consent Decree disclose facts or considerations that indicate that this Consent  
16 Decree is inappropriate, improper, or inadequate. Settling Defendants consent to  
17 the entry of this Consent Decree without further notice.

18 54. If for any reason this Court’s entry of the Consent Decree is reversed  
19 on appeal, in whole or material part, this Consent Decree is voidable at the sole  
20 discretion of any Party and the terms of the Consent Decree may not be used as  
21 evidence in any litigation between the Parties.

22 **XX. FINAL JUDGMENT**

23  
24 55. The United States and Settling Defendants agree, and this Court by  
25 entering this Consent Decree finds, that this Consent Decree has been negotiated  
26 by the Parties in good faith, that settlement of this matter will avoid prolonged and  
27 complicated litigation between the Parties, and that this Consent Decree is fair,  
28 reasonable, and in the public interest.

1           56.    The Court finds that there is no just reason for delay of entry of this  
2 Consent Decree, and therefore enters this judgment as a final judgment under Fed.  
3 R. Civ. P. 54 and 58.
