3. Supporting Facts. State as briefly as possible the FACTS supporting Count I. Describe exactly what each Defendant did or did not do that violated your rights. State the facts clearly in your own words without citing legal authority or arguments.

On June 14th 1982, the United States government Agency, C.I.A started a "Mind Control" Experiment On Me, Junior Tejada (dob - 06-14-82). To date this experiment is being conducted. however since 2008 ~~or~~ since President Barack Obama has taken office he has abolished these "Mind Control" experiments. It seems that Mr. Obama has removed the experiments from The Agency C.I.A And has effectively given the agency NSA control of said experiments to create a "Project" that'd allow the victim (me) to, to become aware of said life time "Mind Control" experiments as I've been absolutely blind to it for years.

the project continues as I believe the government is waiting my objection and complaint through the proper legal channels.

The project is now over, and in so has become sick and perverse as we all await legal channels to address this.

4. Injury. State how you were injured by the actions or inactions of the Defendant(s).
Sexual, Verbal, Physical, Mental, ~~for~~ 30 years of said Traumatization, well 29 yrs and 5 months.

5. Administrative Remedies:

- a. Are there any administrative remedies (grievance procedures or administrative appeals) available at your institution? Yes No
- b. Did you submit a request for administrative relief on Count I? Yes No
- c. Did you appeal your request for relief on Count I to the highest level? Yes No
- d. If you did not submit or appeal a request for administrative relief at any level, briefly explain why you did not. There are none. I've written numerous letters to Congress Hillary Clinton, and President Obama all to no avail

The NSA Project is titled "The Truman, National Security Project". The Truman is from a movie that the man in it was viewed, heard, influenced throughout his life. The Truman Project enables people to view and hear the project as it proceeds.

The NSA utilizes various mind controlling tactics, putting the victim, me, on display to show that indeed my life was controlled by the C.I.A and hence not my life, the C.I.A literally controlled it.

The facts are troubling insofar as they stand indeed, for as I've stated this experiment is ongoing. to conduct a human experiment on a United States citizen and unknowingly for so many years is beyond unconstitutional, the entire life almost 30 years part of this experiment on me is outrageous and that it continues today! wow!

The tactics and tools that are utilized daily, 24/7 that is 24 hrs a day 7 days a week, are beyond sick perverseness, they use verbal abuse that I can and all the inmates, and personnel here hear. Sexual, and straight raping children.

They attempt to use various combinations to control me with innumerable awareness, then apply anger (for all emotions are out of my control, and hence each emotion is more powerfully felt than normal). and then start inserting sick perverse thoughts in my mind. they've made me myself, hit my head on the walls, hit myself.

2

The Project Use's Magnetic Poles, Micro waves, and wireless electrodes. The Magnetic Poles and Micro waves are literally man operated, they fly them on my penis, they tell me child molestation things than literally make my penis a little hard. they fly the objects that are gas like substances and place them between my butt crack and make the objects poles repeatedly causing sexual discomfort, than Project into my vision photos of penis's. they fly the objects literally into my Anus repeatedly than say their butt fucking me, again causing sexual discomfort, the sensation of being Paped by Men.

The Project enables people to hear, I've literally have suffered physical injuries that were severe due to the project, At least (5) Five different occasions, the Projects personnel continue to verbally instigate people lying to them that It's me, when their saying sick per-verse things. I Am paroling in December 2011, They've the Project have been the ultimate cause of my removal from general population to the special needs ward (Protective custody), endangering my life when I'm seen by Mexican Mafia members, associates, etc. by them instigating all these people they again endanger my life, It is very apparent that they the project is creating their very own hunting game, were my life is expandable.

My various Incarcerations, my entire criminal record is not mine to bear for I've been a experiment for the U.S. government all my life to date.

3

President Barack Obama continues to ignore my repeated correspondence on the subject and allows these sick homosexual rapists from NSA to sexually violate me daily, in the process.

COUNT III

1. State the constitutional or other federal civil right that was violated: _____

2. **Count III.** Identify the issue involved. Check **only one**. State additional issues in separate counts.
