PROCEEDINGS: (IN CHAMBERS)

On March 19, 2018, Plaintiff Amber Wallisa (“Plaintiff”) filed a Second Ex Parte Application for Production of Tangible Things in Possession of Riverside County Coroner (“Application”). ECF Docket No. (“Dkt.”) 64. Specifically, Plaintiff sought to compel the Riverside County Coroner’s Office, a non-party, to create and produce autopsy histology slides and conduct a DNA analysis of Decedent Stephen Schenck (“Decedent”). Id. On March 20, 2018, Defendants County of San Bernardino, Jonathan Flores, Spencer Wilt, and Kent Watson (“Defendants”) filed an Opposition. Dkt. 65. On April 3, 2018, the Riverside County Coroner's Office filed an Opposition to the Application, Dkt. 68, and Defendants filed an Amended and Supplemental Opposition, Dkt. 69.

It appears the parties were engaged in productive meet and confer efforts with the Riverside County Coroner's Office and the parties are encouraged to continue such meet and confer efforts. In light of the Riverside County Coroner's Office's representation that there are in existence ten histology slides which may be viewed at the Riverside County Coroner's Office, Plaintiff shall file a Reply in support of the Application **on or before April 12, 2018**. Plaintiff shall include the following in her Reply: (a) specifically what additional slides, if any, and the nature of the DNA
