1 Having reviewed the parties' Stipulated Request for Amendment to Protective
2 Order and for good cause shown, the Court hereby grants the parties' Stipulated Request
3 and orders that the Stipulated Protective Order entered by the Court in this action on
4 March 1, 2007 (the "Protective Order") is amended, to add the following provision:

5 "It will not be a violation of the Protective Order for individuals who are involved
6 in the pending patent enforcement action in Northern Ireland between Siemens, a party
7 to this Action, and Seagate Technology (Ireland), a subsidiary of Seagate but a non-party
8 to this Action ("the Northern Ireland Case") and who fall under provisions of Annex A,
9 B, and C of the Confidentiality Undertaking agreed to by Siemens and Seagate
10 Technology (Ireland) in the Northern Ireland case to receive access to the documents
11 produced in this Action by Siemens and Seagate, and to use those documents for the
12 purpose of the Northern Ireland Case; provided, however, that this amendment does not
13 apply to non-public documents produced by third parties in this Action, but only those
14 documents produced and designated by Siemens and Seagate in this Action. The
15 provisions of the Protective Order will remain unchanged in all other respects."
