Kara,

Because you and the deponents refuse to appear for a 1 day (7 hour) deposition in each case, we intend to file motions to compel. Given the scheduling orders in each case, not to mention your stated intention to file a motion for summary judgment, the depositions will have to occur before July and will we ask the Court to order that the depositions be scheduled accordingly.

George,

Having not heard from you regarding your unavailable dates in July, please be advised that I am looking to the week of July 11th for setting the deposition days for my clients for both cases. Once I confirm specific dates during that week for specific individuals I will let you know. I am also checking with my trial schedule because I have another Jury trial set for that week. I am hoping for it to settle. I should know this soon.

If there is any problem with Plaintiffs' counsel's schedule for the week of July 11th please advise me immediately.

Thank you for your prompt attention to this request.

Kara
