Proceedings: (IN CHAMBERS) RE: DEFENDANTS' EX PARTE APPLICATION FOR PROTECTIVE ORDER POSTPONING DEPOSITIONS

Defendants Ex Parte Application for Protective Order Postponing Depositions is Denied. In addition to not qualifying for ex parte relief under *Mission Power Engineering Co. v. Continental Casualty Co.*, 883 F. Supp. 488 (C.D. Cal. 1995), the application appears to reflect significant lack of communication between the parties. Plaintiff's counsel represents to the Court that it has confirmed that depositions of these same defendants in the Batts case are not proceeding at the same time as depositions in the Pringle case, and that the dates for the Pringle depositions were cleared in advance with counsel for Defendants. Under all the circumstances presented to the Court, this application offers no basis for relief.
