UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DIVISION OF THE  
CENTRAL DISTRICT OF CALIFORNIA

**e-ImageData Corp.,**

**Plaintiff,**

**v.**

**Digital Check Corp. d/b/a ST Imaging,**

**Defendant.**

**Case No. 8:16-mc-00026-CJC (JCGx)**

[Case No. 2:15-cv-658-LA Pending in the  
Eastern District of Wisconsin]

**PROTECTIVE ORDER**

The Court has reviewed plaintiff e-ImageData Corp.'s ("e-Image") and third party Total Imaging Solutions' ("TIS") Stipulation (dated January 11, 2017; the "Stipulation"), whereby the parties agreed to adopt and be bound by the Protective Order already in place in the underlying lawsuit, e-ImageData Corp. v. Digital Check Corp. d/b/a ST Imaging, Case No. 15-cv-00658-RTR (U.S.D.C., E.D. of Wis.), with the additional provision that TIS shall have all the rights of a party as set forth therein (the "Additional Provision"). Based on the representations made by e-Image and TIS in that Stipulation and its own review of this matter, this Court hereby finds and ORDERS as follows:

1. The Protective Order entered by the Honorable Rudolph T. Randa on November 12, 2015 in the matter of e-ImageData Corp. v. Digital Check Corp. d/b/a ST Imaging, Case No. 15-cv-00658-RTR (the "Wisconsin Protective Order"), attached to the

1 Stipulation as Exhibit A, is hereby entered in this matter.

2           2.       The Court further modifies the Wisconsin Protective Order so as to provide  
3 full rights and privileges thereunder to TIS as if it were a “party” in the underlying  
4 proceeding and so as to attach the Additional Provision, which is also a part of Exhibit A  
5 to the Stipulation.

6           3.       Good cause exists for the entry of this Order as the parties in good faith  
7 believe that certain information in the instant discovery proceeding may yield information  
8 which either party could consider trade secrets, proprietary information, confidential  
9 research and development information, and/or nonpublic technical, commercial, financial,  
10 personal or business information that the parties respectively wish to maintain in  
11 confidence in the ordinary course of business as contemplated by Fed. R. Civ. P. 26(c)  
12 and Civil L. R. 37. Plaintiff and TIS also operate in the same industry, servicing the same  
13 or similar customers, and as such they reasonably believe that public disclosure of such  
14 confidential information would cause financial and competitive harm to the disclosing  
15 party.
