Proceedings: [In Chambers] ORDER DISMISSING ACTION FOR LACK OF PROSECUTION

The complaint in this matter was filed on March 21, 2017. On June 30, 2017, this Court issued a Minute Order which ordered plaintiff to file a proof of proper service of the summons and complaint on defendant(s); papers properly seeking entry of default or a default judgment; or answers or other filings by the defendant(s), or show cause in writing on or before July 14, 2017, why this action should not be dismissed for lack of prosecution for failure to prosecute the action diligently. To date, the Court has received no response to the Order to Show Cause.

Therefore, the Court ORDERS that this action is dismissed without prejudice for lack of prosecution, and for failure to comply with the Orders of the Court.
