PROCEEDINGS (IN CHAMBERS): ORDER TO SHOW CAUSE

The Court has received information indicating the lack of sufficient health facilities to meet certain basic needs of a number of individuals with mental health disorders in Fullerton. The Court, moreover, has personally observed these conditions. One of these individuals faces grave consequences due to the lack of coordination by the contracting agencies of the Orange County Health Department and the City of Fullerton. She is nine months pregnant and facing imminent childbirth while experiencing multiple personalities, sleeping within 8-10 feet of the railroad tracks in Fullerton, and having previously been hit by a train. This appears to be a continuing problem. There are other individuals in similar situations that the Court will inquire about on November 18, 2020.

The Court hereby ORDERS the attendance of the following parties on November 18, 2020 at 4:00 p.m. to report on actions and coordination efforts to address the immediate health concerns of such individuals:

- **Orange County Council**
- **Orange County Health Care Agency:** Dr. Clayton Chau, Agency Director & County Health Officer
