ORDER

On July 5, 2012, following repeated assurances from the parties that these matter have been settled, I ordered the parties to file a joint motion to dismiss within 30 days of entry of the order. [ECF 56.] I warned that if the parties did not file a joint motion to dismiss within 30 days, the court would enter a new Scheduling Order in this matter with court chosen deadlines, including a trial date in the coming months. To date, the parties have not filed a joint motion to dismiss.

It is **ORDERED** that trial will begin in these matters on **February 5, 2013**, beginning with the case of *Waddell v. Wyeth LLC, et al. 1:04-cv-6343*. It is further **ORDERED** that the parties submit a proposed Scheduling Order containing the above trial date and any remaining necessary pretrial deadlines (excluding hearing dates for motions for summary judgment, *Daubert*

1 motions, the pretrial conference and the final settlement conference, which the court will set) for
2 my signature by **September 11, 2012.**
