20 At the telephonic meeting of all counsel, which took place on December 5, 2017, to pre-
21 mark exhibits as required by the Court's November 16, 2017 Pretrial Order, Doc. 428, all
22 counsel met and conferred regarding the current trial date of January 23, 2018, and the pending
23 knee replacement surgery of defendant Hood's counsel, Marshall S. Fontes. Because Mr.
24 Fontes' surgery now is not scheduled to take place until the end of December 2017 or the first
25 week of January 2018, and recovery time for said surgery is between four to six weeks, he will
26 not be able to try this action on January 23, 2018. Counsel for all parties discussed possible new
27 trial dates and agreed that May 22 or May 29, 2018 were dates on which all counsel were
28 available for the trial. Therefore,
