Plaintiff Saahdi Coleman is appearing pro se and in forma pauperis in this civil rights action pursuant to 42 U.S.C. § 1983.

On September 12, 2012, the Court ordered the United States Marshal to re-initiate service of process on Defendant Adrian Quezada. The Marshal was directed to attempt to secure a waiver of service before attempting personal service on the defendants. If a waiver of serve was not returned by a defendant within sixty days, the Marshal was directed to effect personal service on the defendant in accordance with the provisions of Rule 4 of the Federal Rules of Civil Procedure and 28 U.S.C. § 566(c), without prepayment of costs, and to file the return of service with evidence of any attempt to secure a waiver of service and with evidence of all costs subsequently incurred in effective personal service.

1 On April 7, 2014, the United States Marshal filed a return of service with a USM-285 form
2 demonstrating that personal service was effectuated on Defendant A. Quezada on April 4, 2014, and
3 on this same date, a separate request for reimbursement of costs. However, the USM-285 form did not
4 include the total cost of the service fees for effecting personal service on A. Quezada.

5 Accordingly,

6 IT IS HEREBY ORDERED that the U.S. Marshals' request for reimbursement of the service
7 costs is DENIED without prejudice.

8
9 IT IS SO ORDERED.

10 Dated: May 22, 2014
