--	--

On January 25, 2010, United States District Judge Charles R. Breyer, Visting District Court Judge, issued an order granting in part and denying in part Petitioner's petition for writ of habeas corpus. On July 23, 2010, Petitioner filed a motion to enforce the judgment.

The undersigned as conducted a administrative review of the docket in this action. The court's records reveal that Judge Breyer's order was neither served on the Fresno County Superior Court nor the Fresno County District Attorney's Office. It appears that this administrative error caused the Superior Court to never address the January 25, 2010 order.

Accordingly, the court ORDERS that:

1. The Clerk of the Court is DIRECTED to serve the January 25, 2010 order on the Fresno County Superior Court and the Fresno County District Attorney's Office;
